Read the following letter from W. FISHER, Esq., Collector of South Canara, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Mangalore, 8th March 1860, No. *33* :—

1. I have the honor to request the instructions of the Board as to whether the Orders of Government, No. 1,053, under date 5th August 1859, regarding the disposal of ground sought for building purposes, are applicable to compounds newly marked out in Military Cantonments or Military limits.

2. The Board are aware that land is being taken up at Mangalore for the lines of a Regiment, and for Officers' compounds, and I request to be informed whether I am to assess the latter and then sell them to the highest bidder, twenty years' assessment being the upset price.

3. According to present practice, whether legal or not, the owner of house property within Military limits can hardly be said to enjoy the same rights in respect to such property as he would were it not so situated ; and if land taken up for Officers' quarters is to be sold by auction, all peculiar terms attaching to house property within Military limits should be distinctly laid down and widely published, before such land is put up to public competition.
