Proceedings of the Madras Government, Revenue Department, for the month of April 1860.

No. 96. Read the following letter from H. CLEGHORN, Esq., M. D., Conservator of Forests, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Utakamand, 9th April 1860, No. 973:—

I have the honor to submit for the approval and sanction of the Honorable the Governor in Council, an Estimate of Cash required for carrying on the Forest operations in the Anamalai Hills for the year 1860-61, amounting to Rupees 32,210-0-0.

2. The only items deserving remark are the increase of 8 Annas in the carriage of each plank above ghát, and the augmented hire of Elephants. This is owing to the enhanced rate of every description of labor, connected with the progress of Railway works in the neighbourhood.

3. The total Estimate is less than that for the year 1859-60 by 3,830 Rupees, which may be mainly attributed to the smaller requirements of the Indian Navy.

No. 97. ORDER THEREON, 26th April 1860, No. 650.

The advance applied for, Rupees (32,210) Thirty-two thousand two hundred and ten is sanctioned.

(Signed) J. D. BOURDILLON,
Secretary to Government.
