## *Proceedings of the Madras Government, Revenue Department, for the month of January* 1860.

No. 17. Read the following letter from H. CLEGHORN, Esq., M. D. Conservator of Forests; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated 3rd January 1860, No. 892.

I have had the honor of receiving the order of Government, 22nd December last, No. 1747, Revenue Department.

2. With reference to paragraph 8, I beg to furnish the following explanation.

I. In paragraph 3 of my letter, dated 8th July 1857, I nominated a Mr. Shelly as Overseer at Hallial on Rupees 80 per mensem, this was sanctioned in Extract Minutes Consultation, 24th idem, Revenue Department, No. 737. Mr. Shelly resigned, and was succeeded by Mr. Cozens, who, however, was appointed on probation, receiving only Rupees 60 *per mensem* as approved in Extract Minutes Consultation, No. 1297, dated 15th December 1857. Mr. Cozens was succeeded by Mr. Curry who for similar reasons received only Rupees 60. Mr. Curry has also now resigned, and I am looking out for a successor. An Overseer is absolutely necessary to take charge of the large depôt at Hallial.

II. In my letter of the 8th October 1858, No. 453, I applied for an Overseer in South Canara on 80 Rupees *per mensem*, there being no person to look after the forests in that district. The appointment was sanctioned in Extract Minutes Consultation, 11th November 1858, Revenue Department, No. 1520, and I recommended Mr. Thompson who is still in office, and doing well. This appointment is absolutely necessary.

3. The Sundah establishment was originally a temporary one, formed by Mr. F. N. Maltby and kept up to the present time and paid out of the proceeds of the Canara forests. It is absolutely necessary and cannot be reduced. I beg, therefore, that it also may be permanently and formally sanctioned.

4. With reference to paragraph 3, I beg to point out that my aggregate* establishment is still well within the amount† sanctioned by the Supreme Government, though the items necessarily vary according to circumstances, and the exigencies of the service.

* *Rupees* 4,500 *aggregate monthly cost of establishment.*

† *Rupees* 4,530, *Vide E. M. C. No.* 1332, *dated* 19*th December* 1856.
