No. 24. Read the following Proceedings of the Board of Revenue, dated 17th April 1860, No. 1,842:—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Vallam, 4th April 1860, No. 99:—

I have the honor to submit the following Report on the Government Petition No. 4,032 of 1859.

2. Petitioner Kunnupadiáchi solicits permission to sue in the Civil Court for the recovery of certain Inám land in the village of Mahéndrapalli Shialli Táluq.

3. There is no grant whatever forthcoming in support of this Inám, nor is there any reference to it in the Inám Register kept in this Office.

4. From the inquiries, however, made on the subject, it appears that, about 90 years ago, M. 11 G. 16¾ of land in the aforesaid village were granted by the British Government as Inám to one Thoppaipadiáchi, Petitioner's grandfather, but it is not clearly known for what purpose it was granted to him.

5. Petitioner states that out of the Inám above referred to, three and odd maws of land have been wrongfully taken possession of by one Thoppaipadiácha, and that he wishes to recover it from him by means of a Civil action; but the Defendent withholds the same on the plea that certain other land in lieu of it has already been given to him.

6. In the Paimásh Account of Fasli 1238 the whole grant is entered in the name of Petitioner's father; but in the Anubhógam Register of Fasli 1258 the same appaers partly in the name of Petitioner's father and partly in that of one Ramasami Pillai, the purchaser.

7. The Taraf assessment is given below.

8. As the case now stands, and considering also that the Civil Decree sought by Petitioner can in no way affect the possible rights of Government, I am of opinion that the Petitioner may be permitted to prosecute his Suit as desired.

Submitted to Government with the Board's recommendation, that, under the circumstances stated, the Petitioner may receive permission to bring his Suit under Regulation IV of 1831.
