Proceedings of the Madras Government, Revenue Department, for the month of January 1860.

No. 19. Read the following Proceedings of the Board of Revenue, dated 20th December 1859, No. 5306.

Read the following letter from W. KNOX, Esq., Collector of Masulipatam; to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort St. George, dated 2nd November 1859, No. 196.

I have the honor to bring to the notice of the Board that a boundary dispute between the Government village of Polampalli and that of Nagalavancha in the Nizam's territory, has long been undisposed of, owing to the absence of information as to the descriptions of boundary stones, and their bearings and distances relating to certain fixed points, which were said to have been laid down in the year 1819 by the Surveyor General then appointed to fix the boundary line between the Government and Nizam's territories. This information cannot be gathered from the records of this office. Copies of decisions of the settlement of boundary disputes between the villages of Government and those of the Nizam by Captain Gresley, in 1838, are lodged in the records of this office, in which no mention is made of those villages. I therefore, request the Board will be pleased to obtain and send a copy of the settlement of the boundary in 1819 between the above two villages by the Surveyor General, whose records I think are now with the Supreme Government.

2. The village of Polampalli is situated in Penugunchiprole pargana in Jaggaypett taluq. Should any decision of Captain Gresley about the boundary statement between that village and Nagalavancha in Nizam's country, be found among his reports of the year 1838, or in subsequent years among the records of the Board's office, I request to be favored with a copy.

Ordered that the foregoing letter be submitted to Government, with a request that the papers therein alluded to, be obtained from the Supreme Government, for transmission to the Collector of the Krishna district. None of the papers alluded to can be found on the Board's records.

(A true Copy and Extract.)

(Signed) J. D. SIM, *Secretary.*

Ordered in consequence that the following letter be despatched.

No. 20. From T. PYCROFT, Esq., Chief Secretary to the Government of Madras; to the Secretary to the Government of India, dated 13th January 1860, No. 69.

Paragraph 1. I am directed by the Governor in Council to forward an extract from the Proceedings of the Board of Revenue dated 20th December 1859, No. 5306, giving cover to a letter from the Collector of Masulipatam requesting to be furnished with copies of papers from the Surveyor General's office bearing on the boundary limits of the villages of Polampalli in that district and of Nagalavancha in the Nizam's territory.

2. The Government request that with the permission of the Government of India instructions may be issued to the Surveyor General to comply with this requisition.
