*Proceedings of the Madras Government, Revenue Department,
for the month of May 1860.*

No. 34. Read the following letter from M. SUBBARAYALU NAYADU, Deputy Collector of Nellore, to D. F. CARMICHAEL, Esq., Private Secretary to His Excellency the Right Honorable the Governor of Madras, dated Nellore, 21st April 1860, No. 18:—

With all deference, and every sentiment of respect, I beg to be pardoned for intruding on your precious moments; and state, that I have herein enclosed a Medical Certificate, as directed in your letter of the 16th ultimo; and I have likewise forwarded a similar Certificate in the regular form, with my communication through the channel of the Collector, to be submitted to the Board of Revenue, for their information, and order thereon.

I highly regret to say that the climate of Nellore does not at all agree with my constitution; and that from my experience of the climate during the past 12 months, I declare, that I have often suffered various maladies from its effects alone; and I therefore respectfully beg that you will be pleased to lay the Medical Certificate before my Lord His Excellency the Right Honorable the Governor, and bring to His Excellency's notice, my present state of ill health, in order that His Excellency may be graciously pleased to transfer me to Sydapet Taluq, which is to be amalgamated to the Collectorate of Madras.

No. 35. ORDER THEREON, 2nd May 1860, No. 703.

The Government are unable at present to transfer Subbarayalu Nayadu to another District and they would not consider it expedient under any circumstances to post him to Chingleput.

(Signed) J. D. BOURDILLON,
Secretary to Government.

I. B. Young Surgeon do
humbly certify that, Mr. Soolasoyloo
Kaidoo Deputy Collector of Nellore is
in a bad state of health and I
solemnly and sincerely declare that
according to the best of my judgment
a change of air is essentially necessary
to his recovery, and that the circumstan-
ces of his case are such as to render
leave of absence for three months
highly desirable, and as from the
case it will be seen that he has been
constantly incapacitated for duty during
his residence in Nellore I would re-
spectfully recommend he should
be changed to some other District.
