*Proceedings of the Madras Government, Revenue Department,
for the month of May 1860.*

No. 63. Read the following letter from F. W. MORRIS, Esq., Senior Assistant Collector of Ganjam, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Bhádevapurapalli, Krishna District, 31st March 1860 :—

I have the honor to bring to your notice that in accordance with the instructions contained in the Chief Secretary's letter, No. 145, Revenue Department, under date 27th January 1860, I have joined Mr. Ballard's Office and have associated myself with him to obtain an insight into the duties of the Settlement Department.

2. I request that I may be informed if Government consider that I am now employed on Special Duty and thus entitled to Travelling Allowance from Chicacole under the last portion of Section 66 (c) of Chapter II of the Civil Auditor's Rules, or if they consider that I am precluded from drawing the Allowance by Section 67, Chapter II, as I shall succeed to the permanent appointment at the end of the two months which Government have fixed as the time that I am to be associated with Mr. Ballard. The Civil Auditor is of the latter opinion. I also request that I may be informed if I am entitled to draw any extra Tent Allowance during these two months, and if so, under what Rules; those of the Settlement or of the ordinary Revenue Department?

3. I conclude that the appointment of Mr. W. S. Hooper will not take effect until the appointment of Senior Assistant to the Agent in Ganjam is vacant by my assuming charge of that of the Deputy Director of Revenue Settlement even if he should arrive at his station before that date.

No. 64. ORDER THEREON, 5th May 1860, No. 717.

1. Mr. F. W. Morris, Acting Principal Assistant in Ganjam, was by Order of Government, 27th January 1860, No. 144, appointed Deputy Director of Revenue Settlement in the Krishna District, from the date on which Mr. Ballard, the permanent incumbent, might avail himself of the furlough granted him to Europe; but he was informed by letter on

No. 145. the same day, that in order to gain an insight into his work he was to be associated for two months with Mr. Ballard, and that he was then to succeed to the permanent appointment. He accordingly joined Mr. Ballard on the 22nd February 1860.

2. He now enquires whether under Section 66 (c), Chapter II, of the Civil Auditor's Manual, he is entitled to Travelling Allowance for proceeding from Chicacole to take up his new duties; or whether under Section 67, he is debarred from drawing the Allowance, as he was eventually to succeed to the higher and permanent situation. He also enquires whether during the two months of his association with Mr. Ballard, he is entitled to any extra Tentage, and under what Rule.

3. The Government consider that Mr. Morris is not entitled to Travelling Allowance. His case clearly comes under Rule 67; viz. he was proceeding to take up a new appointment; the only difference being that he made the journey two months sooner than he would under ordinary circumstances. As to the second enquiry, having joined the Settlement Department, he may fairly be regarded as coming under its tentage Rules. He will accordingly draw Tent Allowance while working with Mr. Ballard, at the rate fixed for a Deputy Superintendent of Revenue Settlement.

(Signed) J. D. BOURDILLON,
Secretary to Government.
