Proceedings of the Madras Government, Revenue Department, for the month of May 1860.

No. 65. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Masulipatam, 11th April 1860:—

Doubts being entertained as to the exact tenure upon which the numerous Mukása villages in the late Masulipatam District are held, I have referred to the English correspondence of the Collectorate for the information but without success. In reply to a Circular requisition, dated 8th June 1815, from Colonel Munnro and Mr. George Strutton, Commissioners for revising the Judicial Regulations, the then Collector, Mr. George Russell, forwarded certain Statements in the form prescribed by the Commissioners. The letters which gave cover to these Statements are very brief and contain few or no observations on the subject. The Statements embodying the information are missing. One of the forms circulated by the Judicial Commissioner was intended "to exhibit all the villages in the "Collectorate that may have been originally granted or are now held for the performance of Police "duties by Zamíndárs, Pálegárs, Kávilgárs or persons of whatever denomination, &c." As this is precisely the information of which I stand in need, I have the honor to request the favor of your furnishing me at your earliest convenient date with transcripts of the Statements which accompanied Mr. Russell's letters to the Judicial Commissioners above referred to, and which I presume are among the records of the Government Office.

To the Commissioner, 3rd June 1816.
Do. do. 23rd June 1816.

No. 66. ORDER THEREON, 5th May 1860, No. 718.

The Inám Commissioner applies for transcripts of certain documents relating to the late Masulipatam District, the originals of which are missing in the Collectorate Office. Search has been made for these papers in the Government records; but without success. There seems reason to believe that they will be found among the records either of the Sadar Adalat or the Board of Revenue. A copy of Mr. Taylor's letter will be sent to those Offices; with the request that the papers required may be searched for, and be sent to the Inám Commissioner if found.

(Signed) J. D. BOURDILLON,
Secretary to Government.
