*Proceedings of the Madras Government, Revenue Department,
for the month of May 1860.*

No. 76. Read the following Proceedings of the Board of Revenue, dated 21st April 1860, No. 1,945 :—

Read letter from the Collector of South Canara, dated 7th March 1860, No. 31, forwarding a Statement of Sádírwárid expenditure for the year 1858-9, and requesting that the sanction of Government may be obtained upon the excess of charge above the sanctioned standard Estimate.

(In Con. 20th March 1860, No. 1,276.)

Submitted for the Orders of Government with the recommendation of the Board of Revenue, that the excess contingent charge of Rupees 476-5-1, incurred in Canara in Fasli 1268, be sanctioned. The causes of the increased expenditure, as compared with the amount of the standard

There has, however, been a considerable decrease as shown in the margin, on the expenditure sanctioned in Faslís 1266 and 1267 (in Extract Minutes Consultation, Revenue Department, No. 559, dated 1st May 1858 and No. 1,493, dated 3rd November 1859) in excess of the standard amount. There was consequently a large decrease of expenditure or saving in the year 1858-9.

ORDER THEREON, 7th May 1860, No. 724.

Sanctioned.

(Signed) J. D. BOURDILLON,

IN CON. 20TH MARCH 1860, No. 1,276.

From W. FISHER, Esq., Collector of SOUTH CANARA,

dated Mangalore, 7th March 1860, No. 31.

I have the honor to forward the accompanying Statement of actual expenditure of Saderward of the District of Canara, for the past year 1858-59, and request that the sanction of Government Standard sanctioned on the 20th May 1850 may be obtained upon the excess of charge above the

sanctioned standard Estimate, amounting to Rupees 476-5-1, as shown in the margin.

2. I have on two previous occasions laid before the Board the circumstances which have of late tended to raise the Saderward expenditure of the Canara District above a standard estimate prepared many years back, and

need not, therefore, return to the subject. I may remark that during the year under review, there

has been a reduction in the expenditure in almost all articles used, as compared with the two previous years, as shown in the margin. The chief reduction is in paper and oil. The introduction of the new system of Taluq and Huzur Treasury Accounts adopted in this District in February 1859, has lessened the expenditure of paper, and lamp oil has been very economically used.

3. I beg here to add, that the revised estimate for this expenditure, called for in

Board's letter, dated the 23rd December 1859, is now under preparation, and will be submitted shortly.
