*Proceedings of the Madras Government, Revenue Department,
for the month of May 1860.*

No. 80. Read the following letter from J. D. SIM, Esq., Secretary to the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, dated 24th April 1860, No. 2,003:—

I am directed by the Board of Revenue to state for the information of Government, that the delay in the transmission of the accompanying Comparative Statement of Collections for last month, has arisen in consequence of the non-receipt of the Returns from North Canara till last evening. The Government are aware that the District has only lately been formed, and that new sets of Accounts had to be opened from January last. There has been also a change of Collectors since the formation of the District; a Deputy Collector has not yet been appointed to the charge of the Treasury, and the work is being performed by almost a new Establishment. Under these circumstances, the delay appears to be excusable. The Collector has, however, been directed to be punctual in the transmission of his future Statements. As the Government noticed the similar delay in the submission of the Statement for February, the Board have thought it proper to lay this explanation before them.

No. 81. ORDER THEREON, 7th May 1860, No. 726.

Ordered to be recorded.
