From J. SILVER, Esq., Collector of TINNEVELLY,
dated Tinnevelly, 1st March 1860, No. 77.

I have the honor to inform you that the brass hand press roller mould, furnished to this office by the Superintendent of the Government Press, having been made of smaller dimensions* than those† given in a letter from this office to the Board of Revenue, dated 8th July 1859, No. 272, and as it was of no use for the press here, it was returned with a request that another of the required dimensions might be forwarded to this office. In his reply dated 24th ultimo, the Superintendent states that a mould of 30 inches long is not procurable for Rupees 25 and that it will cost 50 Rupees. I therefore request you will be good enough to procure the sanction of the Board for making a mould 30 inches long at a cost not exceeding 50 Rupees.

* 7 Inches long.
