*Proceedings of the Madras Government, Revenue Department,
for the month of May 1860.*

No. 116. Read the following Proceedings of the Board of Revenue, dated 23th April 1860,
No. 2,049 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to J. D. SIM, Esq.,
Secretary to the Board of Revenue, Fort Saint George, dated 3rd April 1860, No. 120 :—

I have the honor to inform the Board that the Reverend Messrs. Gray and Fenn, of the Church Mission Society, in North Tinnevely, have applied to me for permission to occupy the Public Travellers' Bungalow at Streevilyputtúr, paying a monthly rent to Government, and engaging always to make room for any travellers that may halt there; and looking to the very scanty number of travellers that halt at the Bungalow in question, I believe there is no objection to complying with their request. I would, therefore, beg to recommend that the Board will be pleased to allow them to occupy the building, paying such rent per mensem as the Board may deem proper to fix, they engaging always to make room for any travellers that may happen to halt at Streevilyputtúr.

2. Pending this reference to the Board, I have informed these gentlemen that they can, for the present, and as a temporary arrangement, occupy the Bungalow on the condition proposed above, at a monthly rent of 20 Rupees, if they wish it.

3. The Bungalow is situated on Road No. 1, leading from Madura *viâ* Streevilyputtúr, Tenkási, and the Arienkál Pass, to Quilon, and consequently seldom visited by travellers. The number of travellers that halted in the Bungalow during the last three years, was only 14 in 1857, 16 in 1858, and 14 in 1859.

4. As a precedent, I might further mention that when I was Sub-Collector of Canara, the Public Travellers' Bungalow at Sircy was occasionally rented during the period of the South-west monsoon.

Submitted for the Orders of Government.

2. As the number of travellers at the Streevilyputtúr Bungalow is very limited, being only 14 in 1859, the Board recommend that the Reverend Messrs. Gray and Fenn may be permitted to occupy the building on the terms proposed by the Collector, it being distinctly understood that accommodation will be provided by them to any traveller that may wish to halt at the place, and that a public notice of the condition on which it is occupied be put up in a conspicuous part of the building, for the information of travellers.

3. In his Bungalow Report for the current year, the Collector will specially report on the expediency of selling this building.

No. 117. ORDER THEREON, 8th May 1860, No. 739.

Before passing an Order on this application the Government wish to have the opinion of the Board and the Collector, whether it will not be the better plan to sell the Bungalow at once.

(Signed) J. D. BOURDILLON,
Secretary to Government.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 26th April 1860.

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George; dated 3rd April 1860, No. 120:—

I have the honor to inform the Board that the Reverend Messrs. 3. The Bungalow is situated on Road No. 1, leading from Madurai *via* Streevilyputtur, Tencausi, and the Auriencaul Pass, to Quilon, and consequently seldom visited by travellers. The number of travellers that halted in the Bungalow during the last three years, was only 14 in 1857, 16 in 1858, and 14 in 1859.

4. As a precedent, I might further mention that when I was Sub Collector of Canara, the Public Travellers' Bungalow at Siry was occasionally rented during the period of the south-west monsoon.

Submitted for the orders of Government.

2. As the number of travellers at the Streevilyputtur Bungalow is very limited, being only 14 in 1859, the Board recommend that the Reverend Messrs.
