*Proceedings of the Madras Government, Revenue Department,
for the month of May 1860.*

No. 124. Read the following Remarks of the Board of Revenue, dated 11th April 1860,
No. 1,743, on the following Tabular Report of a lapsed Yaumia :—
No. 1,148, from the Collector of Bellary, dated 17th March 1860.

(In Con. 13th March 1860.)

Under the peculiar circumstances of this case, and as it appears that there is enmity between the brothers and the widow of the late incumbent, the Board recommend, that, as proposed by the present and the late Collectors, one-fourth of the money allowance may be registered in the name of the widow for life, and the remainder of the allowance together with the Inám, in that of the eldest of the three brothers, on whom should devolve the performance of the duties required by the grant.

2. The title to the Inám will, of course, be subject to investigation by the Inám Commissioner.

(By Order.)

(Signed.) J. D. SIM. *Secretary.*

No. 125. ORDER THEREON, 9th May 1860, No. 743.

1. This money allowance was granted to the holder now deceased as it seems, in lieu of Fees, for service at a Dargáh or Tomb. Grants for such services have been declared not to be hereditary : *Volume 1, C. O. Book, page 412, Note.* and in the present case the late incumbent has left no direct heirs ; and his brothers, who seek the continuance of the allowance have never enjoyed any part of it, and apparently were on bad terms with him they, therefore, have no claim. The widow is entitled to charitable consideration, but before fixing its amount, the Government wish to know what is the extent and value of the Inám spoken of.

2. It appears from these papers that the allowance was continued and distributed by the District Officers without reference to the Board or Government. If this is really the case, the proceeding was irregular and contrary to Orders, as should be pointed out to the Collector by the Board.

3. The Collector's report is far from being clear or precise in several points.

(Signed) J. D. BOURDILLON,
Secretary to Government.

1. Advani Taluk. Unknown. Charity. Yamin Alli. Ready money allowance of Rs. 6.13.1 per Annum, or Rs. 81.13 per Annum. A Fakir of Raja Mahomed Abdulla stating, that a perquisite of hands full of grain from every bag, brought for sale into Baba Nagar Patta, and an inam, granted for services in the Shaka Chauda Hussain Darga, should be continued in the name of Masum Sahib.

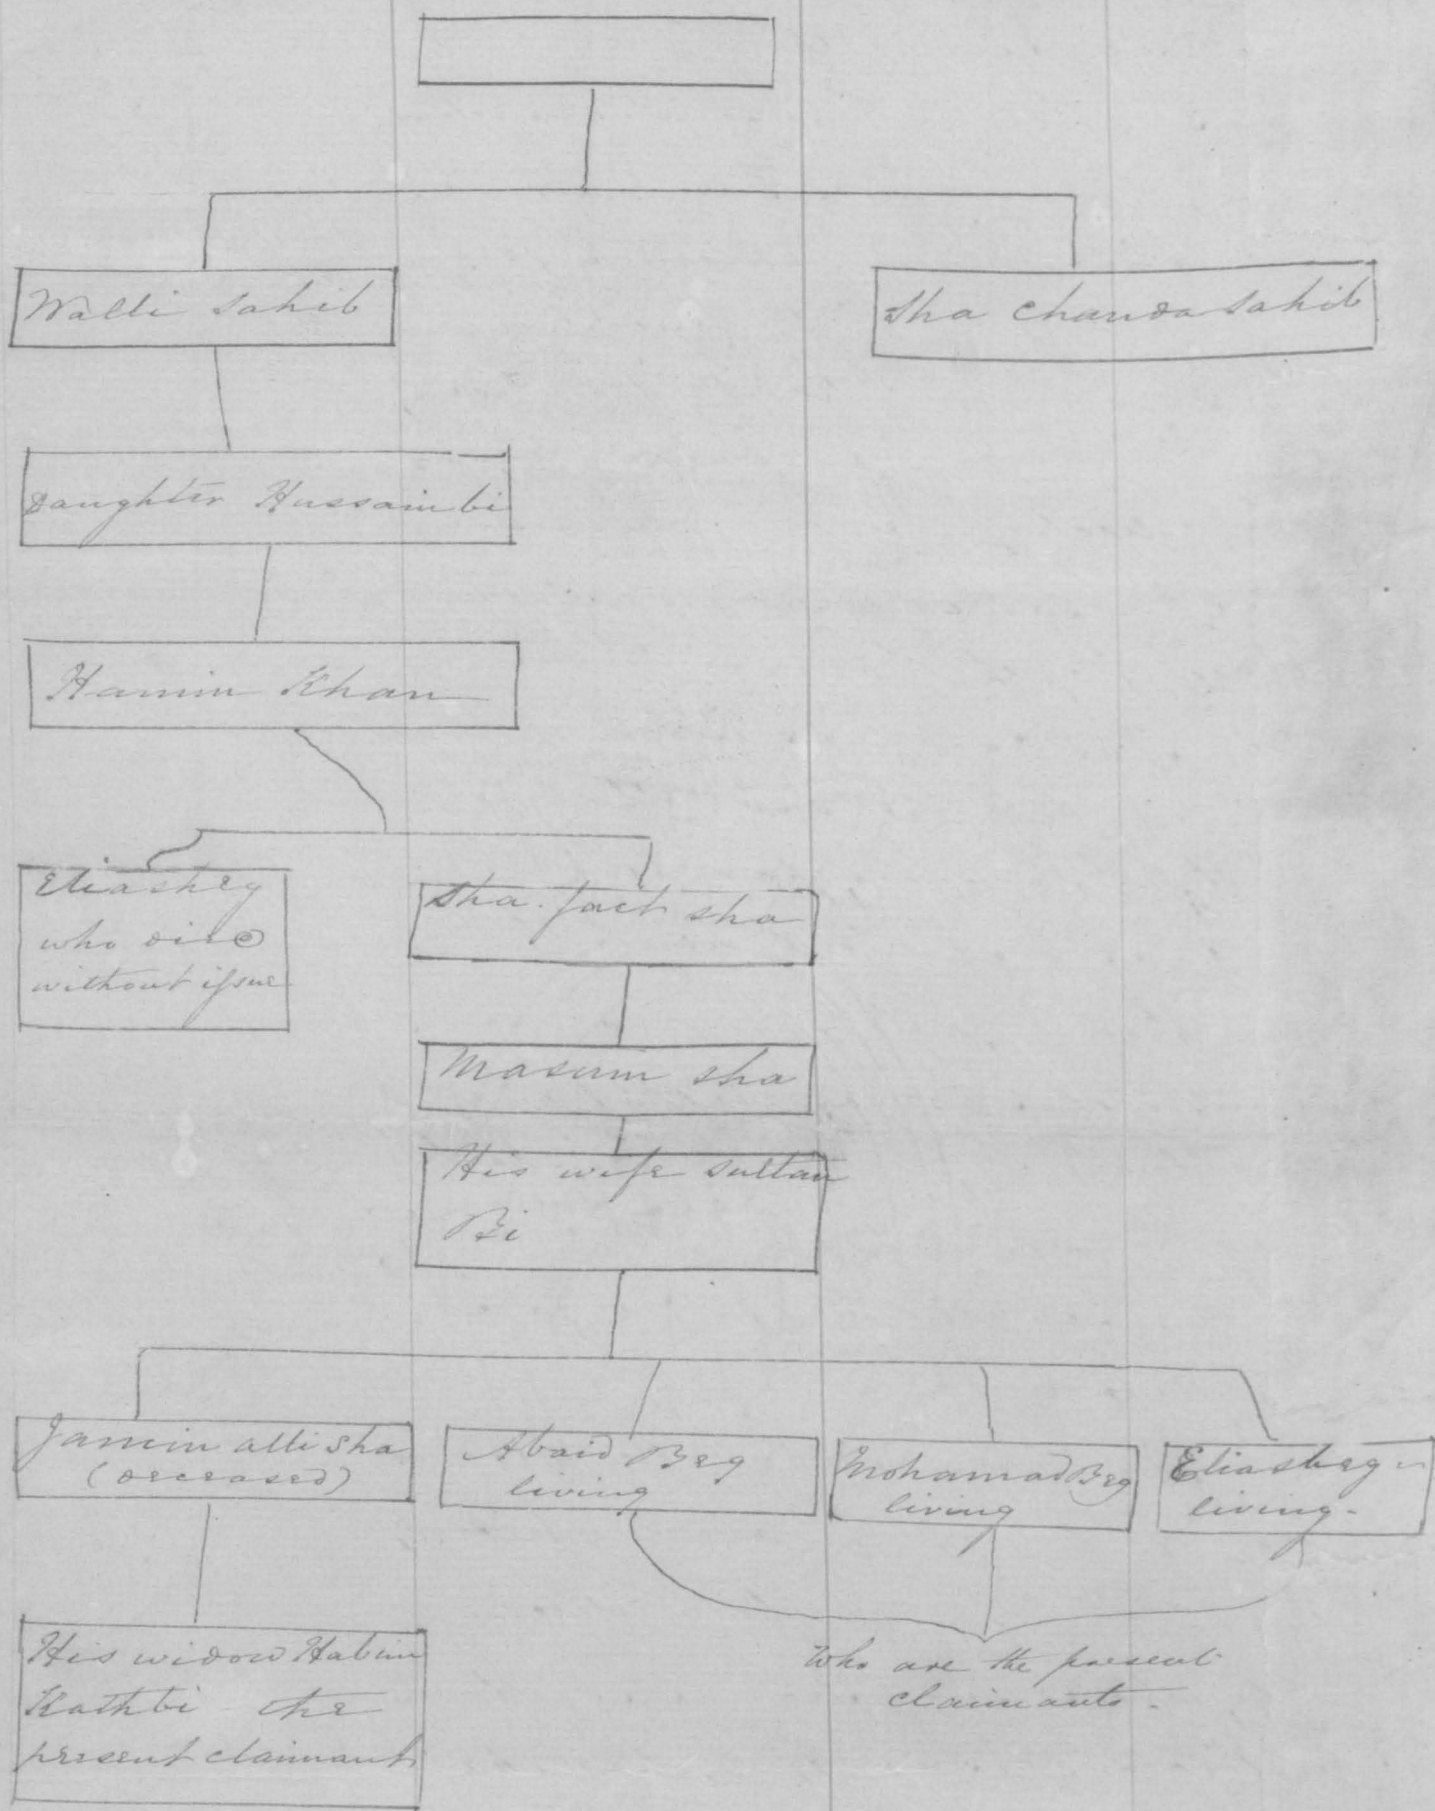

A sanad (date unknown) issued by Mohamed Fijai Ali Khan to the Mutsaddis & Jamedars of Adoni, stating, that the grandson of Shaka Hyder Hussain, named Mohamed Elbis, being the proper individual to perform the services in the Shaka Hyder Hussain Darga, has been appointed to conduct them.

In Hijri 1212, A.D. 1798, a sanad issued by an officer, named Gulam Mahomed, to one of the merchants of Baba Nagar Patta, named Basa, directing him that the fees in kind should be paid as usual to the servants of

Entire. 1. Habau Katbi. It appears from the accounts, that this money allowance was sanctioned by Government on the 5th December 1803, on the general Mogenyabita of this District, in lieu of fees, which used to be collected, under the former Government, as per Fakir alluded to in Column 3, on account of the Darga of Chauda Hussain. This case was investigated by the late Additional Sub Collector, Mr. Collett, who decided, that the widow of the deceased should be permitted to enjoy an Inam, held by the deceased on account of this Darga, and that the money allowance, under report, should be assigned to the three brothers jointly, by whom the services in the Darga should be performed.

The widow of the deceased not being content with the above decision, appealed from it to the late Collector Mr. Pelly, whose suggestion is as follows. "The Collector begs to suggest, that the widow receive one fourth of the money allowance, or 20 Rs. per Annum for her life, and that one of the three brothers may reside constantly at Adoni, perform the services of the Darga, and receive the rest of the cash allowance, and the Inam, shown to be attached to the Darga for a long time."

Balkani Collector's Office
Ranapur, 7th March 1860

"It is to be observed, that the deceased held the Darga, and other allowances for a very long period, while his brothers never got possession of them. They do not appear to have appealed to the Courts, as directed in 1846; there is great unity between the parties, and it would be hard to leave the widow of the deceased unprovided for, and dependent on her brothers-in-law; and one or other of them seems to have the best title to succeed to the Darga, and its emoluments, now their brother is dead."

I beg to recommend the continuance of the allowance as suggested by my predecessor.
