Dated 9— 5— 1860.

No. 137. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 25th April 1860, No. 389.

1. In reference to paragraph 3 of Extract Minutes of Consultation, 8th April 1859, No. 488, I have the honor to submit a Report of the instances in which the Survey and Settlement Officers have entertained, on their respective Establishments, persons who have not passed the Examination prescribed for Uncovenanted Servants.

2. The Godavery and Trichinopoly Survey and Settlement parties were made up to some extent before the Rules came into operation, while the more recent party at Masulipatam was mostly formed afterwards.

3. Every effort was made by my Deputies to secure the services of passed Candidates, by the publication of notices in the several Districts, applications to the Candidates themselves, as also communications to Collectors and other parties whose influence appeared likely to secure their services, and still they have been unable, with but three exceptions, to fill the vacancies on their Establishments with persons other than those who had not passed the prescribed Examination. Only two passed Candidates were obtained in the Trichinopoly District, and only one in the Krishna District. In the Godavery Disrtict and the Wainád, not a single instance occurs.

4. No passed Candidates, Captain Priestley reports, presented themselves for employment in the Survey Department since the date of the Orders of Government above quoted. A large number of the Subordinates in that Department including the Survey Amíns, who receive only a portion of their remuneration in the form of a fixed salary, receive less than 10 Rupees a month, and the Examination Rules do not, therefore, affect it to the same extent as the Settlement Department.

5. The several original Returns received from my Deputies and from the Superintendent of Revenue Survey, are enclosed for further particulars, should such be required.

6. The Government will, I hope, be satisfied that effect has been given in the arrangements now reported, to the Rules for employing passed Candidates as far as circumstances possibly admitted of it, and that the further continuance, for the present, of the sanction contained in Extract Minutes of Consultation, 8th April 1859, under the peculiar circumstances therein described, is also essential in order to prevent serious checks to the important operations now being carried on.

No. 138. ORDER THEREON, 9th May 1860, No. 750.

The Government resolve to continue for another year the exemption from the Examination Rules allowed to the Settlement and Survey Departments by the Order of 8th April 1859. The Director will make a Report, at the end of that time, on the same points as his present Report; and it is hoped that by that time, it will have been found practicable to conform to the Rules.

(Signed) J. D. BOURDILLON,
Secretary to Government.

Sir,

28/2/60 Rh

With reference to your proceedings of the 11th April 1859, No 332, I have the honor to inform you that on the receipt of the orders of Government I made every endeavor to secure the services of passed candidates. I addressed the Collectors of Guntúr, Masulipatam, & Rájamandri requesting any assistance they could give, & published notices calling on any qualified individual desirous of employment to apply to me. I also addressed those men of the districts abovementioned whose names appeared as having passed in the Fort St. George Gazette whom there was any chance of inducing to join me, but without success. Only one man who now holds an appointment of Rs 21 a month in the office of the Supervisor of the Combined party, & who fills it but indifferently well, has entered the Department.

All the other employés who were not in service before 1859 are new whose cases would come under para 3 of Extract Minutes of Consultation dated 9th April 1859, No 488. Under these circumstances

I do not suppose that a nominal list is required.

I have the honor to be

To Wm Averill Esqre
Director of Revenue Settlement.

Sir. I have the honor to inform you that there are not in my Establishment any Candidates passed or unpassed, who have ever presented themselves at any of the public examinations.

I have published notices in the District Gazette but, as was to be expected in the case of our Establishment in Wynaad, have succeeded in attracting hardly any, but those whose utter incapacity prevented their getting the smallest posts below.—

Through friends, Conscience & Nature, I have also written to Madras and other places but find none even of the most ordinary intelligence disposed to give me their services here.—

I have the honor to be
Sir
Your most Obedient Servant
