No. 31. Read the following Proceedings of the Board of Revenue, dated 9th December 1859, No. 5088.

Read Proceedings of the Madras Government, dated 30th November 1859, No. 1628, R. D., referring to the Board a letter from the Adjutant General of the Army, respecting the claim of Havildar Sheik Alli of the 24th Regiment N. I., to a piece of ground in the town of Chicacole.

(In Con. 1st December 1859, No. 5996.)

In Con. 29th June 1859.
„ 31*st Oct.* „

Resolved that the letters from the Collector of Ganjam, dated 20th June and 19th October 1859, on the subject of Havildar Sheik Alli's claim be submitted to Government, with reference to the above Proceedings.

2. The Havildar's reiterated wish to have the land restored to him, was communicated to the Collector by the Board on 4th September 1857, but D. Jógi, who purchased the land, declines to relinquish it on any terms.

3. It does not appear probable that any satisfactory settlement can be made in the absence of Sheik Alli, and the Board would suggest that, as he has undoubtedly suffered a loss by the act of the officers of Government, some special arrangement be made through the Military Department to allow of his visiting Chicacole in person, and free of expense, when the Collector can ascertain precisely how the matter can best be adjusted to the Havildar's satisfaction.

4. It is requested that the original letter and map submitted to Government, with the Board's Proceedings of 20th June 1857, may be returned.

(A true Extract.)

No. 32. ORDER THEREON, 16th January 1860, No. 75.

It appears from these proceedings, that the Collector of Ganjam has been unable to effect any satisfactory arrangement in respect to a piece of land at Chicacole, belonging to Havildar Sheik Alli of the 21st Regiment N. I., which was inadvertently sold by the Government officers in the latter end of 1853 or in 1854, and purchased by a woman named Kanchru Jógi; the purchaser refusing to give up her purchase, and the Havildar declining to accept another piece of land offered to him in compensation for the loss of his own. As it is thought impossible to make any satisfactory settlement in the absence of Sheik Alli, the Board suggest some special arrangement in the Military Department, to allow of his visiting Chicacole free of expense.

2. The Havildar's regiment is at present at Trichinopoly, under orders for China, he cannot therefore proceed to Chicacole. Under these circumstances the Government resolve to communicate the Board's Proceedings through the Military Department to Lieutenant-Colonel DeSausmarez Commanding the 21st N. I. and to request him to arrange with the Havildar the compensation that should be paid him—dealing with him liberally.

(Signed) T. PYCROFT,
Chief Secretary.

In Con. 29th June 1859, No. 3108.

From G. S. FORBES, Esq., Collector of GANJAM,

dated Chetterpore, 20th June 1859, No. 172.

With reference to the Extract from the Proceedings of the Board, dated the 4th September 1857, No. 2938, I have the honor to state that a piece of land belonging to Havildar Shaikali was taken up at a fixed valuation in common with other lots for the formation of Calingapatam road, and that after the completion of the road that part of the land not required for the road was, with other pieces of land similarly situated, sold by public auction to one D. Jogi and has ever since been in her possession. There are no marks whatever to shew which portion belonged to Shaikali and no one, (including the Havildar who has not been to Chicacole since the completion of the road), is able to point it out. I do not think it possible to dispossess D. Jogi against her will of the ground which she purchased in good faith from Government.

2. With a view of effecting an amicable settlement, I proposed to make over to the Havildar's Agent a small spot of unoccupied land, facing the Havildar's house, in addition to his compensation money but he refused to accept it.

3. I regret that under these circumstances, I have not been able to re-transfer to the Havildar his land as directed by the Board.
