No 11. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to T. PYCROFT, Esq., Chief Secretary to Government, Revenue Department, dated Utakamand, 27th March 1860, No. 276 :—

I have the honor to request the sanction of Government for the unadjusted portion of the expenses incurred by the Collector of South Arcot, in the construction and repair of the Boundary Pillars in the Chidambaram and Mannárgudi Táluqs, amounting, as per Memorandum annexed, to Rupees 1,228-8-1, as also for the charges incurred on account of the servants employed as substitutes for those belonging to the Collector's Establishment, who were detached for the special duty of settling and marking the Boundaries before the general organization of the Settlement Department, as contemplated in paragraph 2 of the Original Draft of the Demarcation Rules, which received the general approval of Government in Extract Minutes of Consultation, 11th January 1858, No. 44, amounting to Rupees 69-15-11. The above sums aggregating Rs. (1,298-8,) One thousand two hundred and ninety-eight, and Annas eight ; should be debited to the General Survey and Settlement Funds.

2. Before the receipt of the Orders of Government, dated 8th September 1850, No. 1,202, directing the cost of Boundary Pillars to be borne by the State, the Collector of South Arcot had arranged for the recovery from the Raiyats, under Act XX of 1855, of the cost of such Village Boundary Pillars as were erected at occupied fields, which forms a deduction from the total expenditure as shown in the account, and it seems unnecessary to disturb this arrangement.
