Proceedings of the Madras Government, Revenue Department, for the month of May 1860.

No. 83. Read the following Proceedings of the Board of Revenue, dated 10th February 1860, No. 746:—

Read Order of Government, dated 6th February 1860, No. 190, Revenue Department.

(In Con. 7th February 1860, No. 587.)

The Board apprehend that considerable difficulty will be experienced in supplying the Ceylon Government with any large quantity of Salt from the Southern Districts.

2. The Collector of Tinnevelly may be able to furnish a small quantity, though he must be prepared for indents from Canara and perhaps also Malabar.

3. In Madura, Tanjore, South Arcot, Madras and Chingleput, no Salt can be spared at present.

4. About 10 lacs of Indian maunds are in store in Nellore and the Krishna Districts, but the Chittagong indents to the extent of 3½ lacs have to be met from these stocks.

5. Vizagapatam cannot supply Salt, but there are about 12 lacs of Indian maunds in Ganjam.

6. The Board have instructed the Collector of Tinnevelly (by Telegraph) to meet the requisitions of the Agent of the Ceylon Government at Jaffna, as far as he can, reserving, however, sufficient Salt for the wants of his own District, and the probable requirements of Canara and Malabar.

7. If the Ceylon Government are willing to take Salt from Ganjam and will state how much they will require, the Board will communicate with the Collector.

8. The Ceylon Government will be charged the usual export price of Rupees 15 per 100 Indian maunds.
