No. 48. Read the following letter from E. F. HARRISON, Esq., Civil Auditor, to T. PYCROFT, Esq., Chief Secretary to Government, dated Madras, 12th May 1860, No. 449 :—

Mr. W. S. Hooper while holding the permanent appointment of Assistant to the Collector of Nellore and Acting Head Assistant to the Collector of Tanjore was promoted to the office of Senior Assistant to the Collector of Ganjam.

Under the Rules Mr. Hooper is entitled while in progress to join to receive out of the salary of his new appointment an amount equal to the salary of his late appointment.

	R. A. P.
* *Salary as Assistant Collector*	525 0 0
House Rent.....	35 0 0
Fixed Tentage.....	42 0 0

Mr. Hooper has drawn for the interval between giving over charge of his late and assuming charge of his new appointment at the rates as per* margin.

I have the honor to request that I may be favored with instructions as to whether the amount of fixed tentage is properly admissible under the circumstances described.

My own impression, after an examination of the Rules on the subject, is that it ought not to be allowed ; fixed tentage does not appear to me to be part of the salary of the office of an Assistant Collector ; as however, I find that it has been the constant practice to pass an amount equal to the fixed tentage of an Assistant Collector under similar circumstances, I beg to submit the question for Orders.

There appears to be no room for doubt, I may remark, in respect to the allowance for House Rent. This allowance forms part of the recognized emoluments of all Assistants, and is passed, under decisions of Government, under circumstances when the tentage is withheld, as for instance, when an Assistant is Acting as Sub-Collector and receiving the fixed tentage of a Sub-Collector.

No. 49. ORDER THEREON, 23rd May 1860, No. 838.

1. The fixed tent allowance of an Assistant, Head Assistant, or Sub-Collector is a special allowance for keeping up tents. It is not drawn till the Officer actually joins his appointment; and in the opinion of Government it cannot be drawn for the time occupied in going from one appointment to another.

2. This view is in exact accordance with the Order of Government rejecting the claim of Mr. Hall, to draw his fixed tentage as Sub-Collector while travelling from Canara to take up his uew appointment of Collector of South Arcot.
