From E. C. G. Thomas Esq
Deputy Director Revenue Settlement
Myraid.
To W. Minnill Esq
Director of Revenue Settlement

Sir
I have the honor to request you will forward
with your recommendations my application for
1 Month's leave under Section 811.

In accordance with your instructions
contained in Proceedings 18. February 1860
my office will depend from Monday to
Thursday about the 15. March, and the Chief
work will be carried on there for 2 Months
will be, the preparation of lists and of notes
from the Court Records, and the instructions
in denunciation work of such fit persons
as may there join my Establishment for the
first time - if any application is granted.
I do not ^{propose to} avail myself of the permission till
I feel that I have been able so far to arrange
and direct the work of my office as to ensure
its being properly continued under the di-
rection of my Native Assistant during my
short temporary absence and considering the
nature of it and the ease with which, on
my return, I can test both the quantity
and

and quality, I think there is no reason
to suppose it may not be as efficiently
conducted in my absence as when I am present.

3. Three months accumulated privilege
leave due to me by the Rules, but feeling
that so long an absence would be injurious
to the work in my hands, I ask for only
1 month, with the request that my taking
this may not be considered to prejudice my
right to the remainder, if on a future occasion
the exigencies of the service do not render
it undesirable I should have it.

4. I propose, if permitted, being absent
during the month of April, by no means the
one I would have selected for my own personal
convenience but the only one for some time
to come during which it seems to me my
duties could well permit my absence.

I wish to visit my brother in Madeira,
and am in hopes my trip may not be wholly
without its fruits in collecting men for my
Establishment, as well as kindred useful
information regarding the hills eligible
for Coffee cultivation between Malabar
and

and Madras.

6. As you are aware I have lately
been refused leave to Europe on far longer
I hope the Government may not see fit
to refuse the present application.

I have the honor to be
Sir,
Your most Obedient Servant

By Director Revenue Sett.

No. 185

The month selected is the least in-
convenient for the work. I Mr Thomas has
confined his application to one month in order
to avoid the serious inconveniences that would
arise from his absence for the longer period
of 3 months for which his privilege leave
and requests this may not prejudice his claim to the remainder
has accumulated. As the Director Revenue
Settlement can rely upon Mr. Thomas to
consult the public interests in foregoing the
month's leave should unforeseen circumstances
arise to require his presence with the party,
he recommends that it may be granted.
