Proceedings of the Madras Government, Revenue Department, for the month of May 1860.

No. 67. Read again letter from the Acting Collector of North Arcot, dated 17th April and recorded in Proceedings of Government 7th May 1860, No. 731, requesting that one NARSIMMACHARULU, whom he had appointed Tahsíldár may be exempted from the Examination Rules:—

From J. D. ROBINSON, Esq., Acting Collector of North Arcot, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated, 10th May 1860, No. 31.

I have the honor with reference to the Order of Government, dated 7th May 1860, No. 731, to state that by a clerical error the year in which Narsimmáchárulu passed the examination prescribed for Candidates for the situation of District Munsif was given as 1860 instead of 1856 in my letter to the Board of the 13th March last, embodied in my communication which has elicited the Order of Government now under reference. Narsimmáchárulu then passed an examination on all those subjects which the Rule of 1855 prescribed as the standard of qualification required for the post of District Munsif.

No. 68. ORDER THEREON, 25th May 1860, No. 847.

On this application the Government must observe that Narhsimmáchárulu ought not to have been appointed Tahsíládr without their previous permission. They are however pleased under the circumstances stated in the first of the above letters, to sanction his employment in that capacity without passing the prescribed tests.

(Signed) J. D. BOURDILLON,
Secretary to Government.

Memo on Revd No 1005

Narasimma Charlu has not passed the test fixed under the new Examination rules of 1858 for the Judicial branch of the Uncovenanted service, but has prescribed by the Rules of 1853. for the post of District Munsif

The test under these latter rules* was simply a knowledge of the Vernacular languages and of the Laws and Rules of practice applicable to Civil Courts, as also* of the Hindu and Mahomedan Law of Inheritance — fifty Rs

* Gaz. 1855 page 795

* do do 1853.

while

while that test fixed in the rules of 1838 for the higher grade in the Judicial Dept comprises English, Arithmetic, Hindu Geography Algebra and Euclid besides Vernacular and Law. The subjects included under the last mentioned head are "the Regulations, Acts and rules "of procedure applicable to "Civil and Criminal Courts. The "Law of evidence as treated in "Beck. The principles of Criminal "Law and of Hindu and Mahomedan "Law and the system of Revenue "accounts."

This appears to me to be a case in which an exception may be made. The Native Revenue Establishments of North Arcot, from the Head Sarishtadar downwards, depended the Government and the People by sharing among themselves the Reductions granted in the first year of the Revised Assessment, besides other funds connected with the Recompensation for Land taken for the Railway. To unravel these plots the Collector must employ some new Hands and as Narasimha Chariulu has long practised as a Pleader, and held a Diploma of fitness for a Munsifship (though the Standard has since been raised), it is best not to weaken the Collectors authority and prestige by disallowing his appointment Madras 21 May 1860.
