Paragraph 50. Charges for expenses connected with the march and encampment of Troops within the provinces, such as charges for boats, coolies, &c. &c., will be adjusted under the following rules:—

51. In cases of the above nature, the Officers Commanding are to address their applications for the requisite supplies or assistance to the Collectors of the Districts through which they pass, whose servants will be instructed to comply therewith—the Officers granting certificates of the number of boats, coolies, &c., employed, specifying the periods, numbers, and all requisite particulars; which documents are to accompany the Collectors bills for adjustment, in the transfer accounts of the Accountant General's Office.

When claims for remuneration for injury to crops or other charges arise out of the encampment, &c., of Troops, the extent or particulars of which may not be within the knowledge of Commanding Officers, their certificates are to be dispensed with, and the Collectors bills passed on their own signature.

53. With respect to charges incidental to the march of Troops to which the above provisions may not be found applicable, the bills of Commanding Officers verified in the manner prescribed for contingent charges, are to be transmitted to the Quarter Master General of the Army, with the necessary explanations, (particularly regarding their not having obtained the required assistance from Collectors); on receipt of which, if found unexceptionable, the Quarter Master General is to affix his signature (to the bills) with the word "Approved," which is to authorise their discharge.
