Read the following papers :—

Proceedings of the Madras Government, Revenue Department.

Read the following letter :—

From the Collector of South Canara, Mangalore, 8th March 1860, *No.* 33; *to the Secretary to the Board of Revenue, Fort Saint George.*

1. I have the honor to request the instructions of the Board as to whether the Orders of Government, No. 1053, under date 5th August 1859, regarding the disposal of ground sought for building purposes, are applicable to compounds, newly marked out in Military Cantonments or Military limits.

2. The Board are aware that land is being taken up at Mangalore for the lines of a Regiment, and for Officers' compounds, and I request to be informed whether I am to assess the latter and then sell them to the highest bidder, twenty years' assessment being the upset price.

3. According to present practice, whether legal or not, the owner of house property within Military limits can hardly be said to enjoy the same rights in respect to such property as he would were it not so situated ; and if land taken up for Officers' quarters is to be sold by auction, all peculiar terms attaching to house property within Military limits should be distinctly laid down and widely published, before such land is put up to public competition.

1. The Collector of South Canara requests instructions as to whether the Orders of Government, dated 5th August and 21st September 1859, for the "Creation of Freeholds, &c.," applied to Military Cantonments, and whether in accordance with them he is to assess and sell to the highest bidder at the upset price of twenty year's assessment, the sites reserved for Officer's houses, &c. and lines, within the limits of the Cantonment at Mangalore.

In Con. 9th August 1859, *No.* 3998.
" 22*nd September No.* 1859, *No.* 4751.

2. The question concerns the Military Department, and the Board resolve to submit it to Government for their Orders.

From the Acting Quarter Master General of the Army, Fort Saint George, 9th May 1860, *No.* 150; *to the Secretary to Government, Military Department.*

In reply to the reference made by Government in order dated 28th ultimo, in regard to the terms on which Land in the Cantonment of Mangalore, should be disposed of by public competition, I have the honor, by order of His Excellency the Commander-in-Chief to say, that whatever conditions it may, in the Civil Department be necessary to insist on, in this, and similar occasions, it is absolutely necessary that the conditions imposed under the Form of Grant (copy of which is enclosed), so far as regards sanitary measures, the occupation, Rent and Repair &c. of Houses built on such land, should be continued.

2. In my letter dated 2nd ultimo No. 101, His Excellency proposed to Government that certain additions should be made to these conditions, and the subject is now under consideration by the Government Solicitor.

ORDER, No. 1850, 18*th May* 1860.

Ordered to be communicated to the Revenue Department.

2. The Governor in Council concurs in the views expressed by the Commander-in-Chief the modified form of Lease sanctioned in Proceedings of Government, No. 1380, dated 12th April 1860 when prepared, will be supplied to the above Department together with the Proceedings referred to.
