Proceedings of the Madras Government, Revenue Department, for the month of May 1860.

No. 139. Read the following letter from Major E. K. ELLIOT, Commissioner of Nagpore, to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Nagpore, 10th May 1860, No. 18:—

In continuation of my letter No. 17, dated 3rd instant, I have the honor to annex, for the further information of the Right Honorable the Governor in Council, a copy of a letter No. 57, dated 7th idem, received from the Deputy Commissioner of Raepore, having reference to the complaint of the Overseer of the Salt Depôt at Manik-deo-kunta of the conduct of the Zamíndár of Bijji.

Copy of a letter No. $\frac{57}{281}$ dated 7th May 1860, *from the Deputy Commissioner of Raepore, to the Commissioner of Nagpore.*

1. I have the honor to acknowledge the receipt, this day, of your letter, No. $\frac{323}{23}$, of the 3rd instant; and in reply to report that I have not yet received a reply from the Bustar Rájá, regarding the complaint of the Overseer of the Salt Depôt at Manik-deo-kunta of the conduct of the Zamíndár of Bijji. I took the opportunity of Móti Singh, Kotwál, who is an influential man in Bustar, being here, to point out the necessity of assisting the operations of the establishment, and I have, this day, again addressed the Rájá and Lál Dulganjan Singh on the subject.

2. The Bijji Táluq is said to be constantly plundered by the people of the Hyderabad Territory, North of the Godavery; and the Rájá of Bustar who is represented as being old and infirm; his only son having died the other day, leaving him at the mercy of the people who are in the last degree savage and incontrollable. The place itself is ten or eleven days' march from Jugdulpore.

Information given by Móti Singh.

3. The distance and the character of the people render it difficult to carry out promptly, and at once, the measures requisite to ensure the smooth and uninterrupted working of the newly established Salt Depôt; but I have taken means to acquaint the numerous Tandahs of Brinjáris in this District as well as Merchants and Traders, and I trust the Road from this side will speedily be opened and become known, as it is much shorter than that now followed.
