No. 141. Read the following Proceedings of the Board of Revenue, dated 2nd May 1860, No. 2,150 :—

Read the following letter from C. H. AMES, Esq., Acting Sub-Collector in charge of Madura, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort St. George, dated Madura, 20th April 1860, No. 79 :—

With reference to the Board's Petition No. 75 of 1860, I have the honor to state that the Petitioner contends that the excess above the actual extent of his holding should be deducted from his Pattá, and that the extra tax collected from him upon such excess since Fasli 1265, should be refunded to him. Under the orders* of the Board and the custom of the District, Orders were issued to remit tax upon the deficit beyond 10 per cent. and to pay to him the additional tax collected from Fasli 1266, when the investigation of the case and the measurement of the lands were completed. However, as the Petitioner complained about the matter in Fasli 1265, I do not see any objection to refunding the over-collection for that Fasli too. If the Board agree with me in this respect, I beg that the sanction of Government may be obtained for the repayment of the amount of Rupees 2-12-3, the excess tax collected from the Petitioner for Faslis from 1265 to 1267 at sums 14-9-0 a year.

* *Foot Note No. 3, page 201, Circular Order of the Board of Revenue, 2nd Volume.*

2. The above lands have been twice measured by competent persons. I, therefore do not think it necessary to measure the land again as requested by Petitioner.

Resolved, that the above letter be submitted to Government with the Board's recommendation, that under the circumstances stated, the Collector be authorized to refund to Petitioner the sum of Rupees 2-12-3, over-collected from him in Fasli 1265, under an erroneous entry of the extent of his holding, since corrected.

No. 142. ORDER THEREON, 30th May 1860, No. 884.

1. The Government are pleased to sanction the refund to Petitioner of Rupees 2-12-3 being the excess tax collected from him in Faslis 1265, 1266 and 1267 at Rupees 0-14-9 per year, not for one Fasli 1265 as stated in the Board's Proceedings.

2. The Board's attention is requested to the misprint at the end of the first paragraph of Mr. Ames' letter, where "sums 14-9-0 a year" is entered instead of "Annas 14-9," a mistake which makes the meaning almost unintelligible.
