Proceedings of the Madras Government, Revenue Department, for the month of May 1860.

No. 154. Read the following Proceedings of the Board of Revenue, dated 22nd May 1860, No. 2,474:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 3rd May1860, No. 171:—

In paragraph 22 of the Proceedings of Government under date the 11th April 1860, it is remarked that as regards the Huzúr Establishments, the Government see no reason why the change proposed by Mr. Pelly should not be made at once. I have not yet received instructions from the Board generally, or from Mr. Pelly, to carry out the change in this District, I, however, beg to submit for the consideration of the Board, that as regards Tinnevelly, it will be impracticable to carry out the new arrangements, until after the completion of the Jamábandí which is now going on.

2. Most of the Huzúr Gumáshtás are at present distributed in the several Táluqs, and fully engaged in the work of examining along with the Karanams the returns of cultivation, and other accounts for the preparation of Pattás, and they cannot, therefore, at present be withdrawn or changed, without causing most serious delay and detriment to the public service. I have further to undertake the settlement of the entire District, this year, unaided, a very onerous task, and one which I will not be able to complete within the Fasli year, as I have to proceed myself to every Táluq in the District, in succession. Under these circumstances, I beg to request that the changes in my Húzur Establishment may be allowed to stand over till after the despatch of the Jamábaní report.

Submitted for the consideration and Orders of Government with the recommendation of the Board of Revenue, that under the circumstances stated by the Collector, the changes in his Húzur Establishment be postponed until the 30th June next.
