Proceedings of the Madras Government, Revenue Department, for the month of May 1860.

No. 156. Read the following Proceedings of the Board of Revenue, dated 17th May 1860, No. 2,393.

Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Chetterpúr, 1st May 1860, No. 98 :—

With reference to the Board's Proceedings, No. 1,899, dated 19th April, communicating the Order of Government of the 17th idem, declining to confirm the sale of the land purchased by Dr. Howard for building purposes, and desiring the Acting Collector, Mr. Davidson, to explain why he disregarded the requirements of their Order, I have the honor to state that the sale of the land prior to report, was an oversight, and to request that the Board will be pleased to obtain the sanction and seal of the Government to the Title Deed enclosed. The Board call for a full report about the land, but there is in effect nothing to say except that Dr. Howard applied for a piece of waste and stony hill-side (for the site of a house) which was sold to him at auction for the upset price, viz., 20 years' purchase.

2. If the Board in all cases wish a minute account of all sites applied for, I will take care that it is furnished. It seemed to me unnecessary to trouble them with details which the local authorities alone can judge of.

In Con., 18th April 1860. Forwarded for the information of Government, with reference to their Order in the Revenue Department, No. 581, dated 17th April 1860.

No. 1,257, dated 8th, in Con., 19th March 1860. 2. Resolved also, that the Title Deed accompanying the Collector's former letter* be re-submitted for the Seal of Government.

In Con. 25th September 1859. 3. With reference to the 2nd paragraph of his present communication, the Collector's attention is directed to paragraph 5 of the Order of Government, No. 1,271, dated 21st September 1859, which enjoys the submission of *full information* with each application.
