PROCEEDINGS OF THE MADRAS GOVERNMENT.

Dated 2nd June 1860, No. 910.

1. The services of a Special Officer are necessary for the purpose of settling the price of the land required by the Irrigation Company in Kurnool and by the North West Railway Company in North Arcot, and of making over the land to the Officers of those Companies respectively. The Government resolve to employ on this duty Deputy Collector Ragunáda Ráu, who performed the same service, with marked ability and success, in the case of the Negapatam and Tanjore Railway.

2. Ragunáda Ráu will be instructed to proceed to the scene of his new duties with as little delay as possible. He will go first to Kurnool; and having completed the work there, he will then proceed to North Arcot.

3. The Collectors of the two Districts concerned will be instructed to make arrangements to enable Ragunáda Ráu to draw money from time to time as he requires it, for the purpose of paying compensation; so that there may be no delay whatever in the payment, but that the compensation may in every case be paid as soon as its amount is determined.

4. Ragunáda Ráu will submit accounts of his operations to the Collector of the District, as he did in Tanjore.

5. Ragunáda Ráu will be promoted from the 4th to the 3rd class of Deputy Collector; and, while employed on this service, so far from his own home and District, he will draw batta and travelling allowance at the same rates as the Deputy Collectors employed under the Inám Commissioner.
