No. 19. Read the following Proceedings of the Board of Revenue, dated 11th May 1860, No. 2,298 :—

Read again letter, dated 1st November 1859, No. 227, from the Collector of Tanjore, forwarding a Statement of arrears of Maniem allowance due to the Njanaprakasa Sannadi Matam at Conjeveram in the Chingleput District, and requesting sanction for the payment of the same.

(In Con., 7th November 1859, No. 5,538).

Read also letter, dated 13th April 1860, No. 106, correcting a clerical error in one of the dates of the Orders of Government, quoted in the foregoing letter.

(In Con., 21st April 1860, My. No. 1,077).

Resolved, that the letters above recorded be submitted for the Orders of the Honorable the Governor in Council.

2. In the above papers, the Collector submits a claim on behalf of the Sannadi Matam at Con everam for arrears of Manyam allowance amounting to Rupees 1,325-14-0, accumulated during the nineteen years from Fasli 1250 to Fasli 1268. The reason of the allowance being undrawn for so many years, is stated to be the continued absence of the Manager or Trustee from the Presidency on pilgrimage to Benares and other places, where he has disciples.

3. The delay in drawing the allowance has been so excessively protracted, that although the service is said to have been performed, the Board feel precluded from recommending that the arrears should be disbursed. They consider that the allowance has lapsed, but submit the case for the orders of Government.

No. 20. ORDER THEREON, 2nd June 1860, No. 912.

1. The Board submit an application from the Collector of Tanjore for leave to disburse the arrears of a certain allowance accruing in his District to a Matam at Conjeveram. The allowance has been undrawn for the long period of nineteen years; and the arrears amount to Rupees 1,325-14-0. The Collector states that the allowance has usually been drawn at intervals of several years, the last payment having been for twelve years. The Board regard the allowance as having lapsed through the long neglect to draw it.

2. The interval for which the allowance has been undrawn, is certainly long; but not only is this allowance usually drawn at long intervals, but other similar allowances in Tanjore appear also to be drawn in the same manner.* The Matam for which the allowance is payable is stated by the Collector, on information received from the Collector of Chingleput, to be still maintained. Under these circumstances the Governor in Council does not consider the long delay to draw the allowance to be sufficient cause for escheating it, and he resolves to authorize the payment of the arrears, and the continuation of the allowance.
