Communicating a Home Despatch containing instructions in modification of those conveyed in the letter of 11th August 1859, respecting the mode of conducting the correspondence between the Home and the Indian Governments. (Vide Public Proceedings from 21st to 31st May 1860, Nos. 25-26.)

No. 46. ORDER THEREON 4th June 1860, No. 925.

Ordered to be recorded.

(Signed) C. G. MASTER,
Deputy Secretary to Government.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 18th April 1860, No. 21.

Paragraph 1. I have to acknowledge the receipt of your letter dated the 22nd October (No. 71) 1859, regarding the mode of conducting the correspondence between the Home and the Indian Governments.

2. As it is desirable that uniformity should be observed in the mode of reporting their Proceedings by the several Governments in India, I have to request your attention to the following instructions, modifying in some respects those which were conveyed to you by my letter of the 11th August last, No. 38.

I. The quarterly general letters will be discontinued.

II. Questions of importance will be reported in separate letters together with the "Proceedings" in full which relate to the subject of the letter. The Proceedings will be printed and sent in duplicate.

III. The Proceedings in matters not specially reported and not included in the Tabular Forms prescribed for reporting matters of routine will be brought on the records of your Government in extenso.

IV. A note will be made of every matter of routine brought before the Government but no Proceedings need be placed in such cases on the records of the Government.

V. At the close of each month a printed volume of the transactions of your Government, in each Department, will be prepared in two parts and transmitted to the Home Government.

The first part will consist of copies of the Proceedings which have been reported in special letters, and of the "Proceedings" brought on the records of Government, but not specially reported, and will be preceded by a Table of its contents, according to the Form A, annexed.

The second part will comprise all matters of mere routine, entered in a Tabular Statement prepared in conformity with the Form B, also annexed.

3. In order to promote facility of reference, it is advisable, that your Proceedings in each Department, should be numbered consecutively for the entire month, instead of commencing as at present, with fresh numbers for each sitting of the Council, that the month and date should be printed at the head of every page of the Proceedings, and that so much of the volume as contains the Proceedings should be paged consecutively for the entire year.

4. With a view to the correct arrangement of the records of your Proceedings, it is of importance that they should be always reported in their proper Departments.

5. You are requested to take measures for ensuring the prompt and regular despatch of the monthly volumes, made up Departmentally and to transmit the first of them under the new form with as little delay as possible.
