Dated 19 — 1 — 1860.	

Not to be folded or roughly handled

No. 66. Read the following Proceedings of the Board of Revenue, dated 4th January 1860, No. 14.

Read letter from the Officiating Collector of Nellúr, dated 10th December 1859, No. 193, requesting sanction for the remission of certain arrears of Fasli 1268 outstanding against the Rayats of the five villages in Vudayagiri táluq on account of the losses sustained by the floods of October 1858.

Resolved that the above letter be submitted to Government for early orders.

2. From the explanation furnished by the Acting Collector in the foregoing letter, the Board are satisfied that the losses sustained were really such as to merit favorable consideration from Government, and they, therefore, feel no hesitation in supporting that officer's recommendation for the remission of the balance on account of Fasli 1268, amounting to Rupees 831-13-4.

3. As the losses in question occurred in the month of October, they ought to have been taken into consideration immediately, and to have been disposed of by suitable remissions at the settlement for that Fasli. It is greatly to be regretted that this course was not adopted, and that only a cursory investigation into the matter was made. Considering, however, the peculiar circumstances of the case, and giving due weight to the representation of the Collector in paragraph 5 of his letter under notice, the Board beg to recommend that the balance in question for Fasli 1268, amounting to Rupees 831-13-4, may be at once remitted and struck out of the accounts.
