ORDER THEREON, 7th June 1860, No. 943.

1. These Proceedings relate to a claim made by certain Payakáris of Chinnambédu and Arni in Madras (late Chingleput) District to certain waste lands in the former village.

From Collector, 7th December 1859.

2. These Payakáris having offered for them in 1856 were eventually opposed by the Mirásdárs, who as having the better claim, were in 1859 put in possession on Kaul tenure, not only of the 127 Kánis originally applied for but of additional 76 Kánis.

* *Petition, No. 850 of 1860.*

3. Against this division the Payakáris now appeal.* They adduce various reasons for their prior right to the land. The land in dispute has been made over to the Mirásdárs and the Government see no cause for interference, but they wish the Board to ascertain and report whether these Petitioners were willing to take the land on full Assessment, and if so why it was given to the Mirásdars on Kaul.

†*Board's Proceedings, 16th Jannary 1860, No. 213.*

4. With reference however to enclosure† 3 to the Proceedings recorded above, in the sentiments expressed wherein the Government fully agree, the Board will take care that the conditions of the Kaul are strictly enforced.

5. It is observed that the same Payakáris have made a further complaint to the Board of Revenue regarding certain lands in the same village (Chinnambédu,) and that their Petition (Board No. 411 of 1860) has been referred to the Collector for enquiry and report.
