PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Telegram from the Acting Chief Secretary to the Government of Bombay, dated 29th May 1860.

"Sir Charles Wood has directed this Government to despatch by every Mail and by Telegraph a precis of all important intelligence. Sir George Clerk suggests that it would greatly add to the value of each precis if your Government would furnish a Telegram of important intelligence in your Presidency, and despatch it so as to reach Bombay before the departure of each Mail—the next Mail leaves on June 7th and you will be informed immediately by post of the intended dates of departure of Mail throughout the year."

ORDER THEREON, 2nd June 1860, No. 813.

Resolved that a copy of the above Telegram be communicated to the Revenue and Military Departments, and that the following answer be returned.

——

"The Madras Government direct me to thank you for your Telegram of the 29th ultimo.

"They will transmit from time to time any items of intelligence which may appear to them of sufficient importance to be sent home with your precis. When you do not receive any such messages, you will conclude that there is nothing of importance here to communicate."
