Trichinopoly,..... } Salem, ...	65	64	119	*269	184	334	32	258	* The area of work in Trichinopoly is overstated in consequence of the small Cawny prevailing in some villages being commuted to acres at the same rate as the larger Cawny. This excess may be roughly taken at 15 to 20 per cent. The deduction of this still leaves a high rate of work for the month.

Director of Revenue Settlement.

Proceedings of the Madras Government, Revenue Department, 8th June 1860.

No. 88. ORDER THEREON, 8th June 1860, No. 947.

1. The Government request that the Director of Revenue Settlement will afford further and more full explanation as to some of the causes assigned for the deficient work exhibited in these reports, viz., non-receipt of demarcation records and sketches, absence of villagers, and the inconvenience of the relative position of the Táluqs demarcated.

2. The Government notice the excessive proportion of time lost in one party, though it is not apparent to which party the remark refers; and they request that explanation may be afforded on this point also. They desire further to be informed whether the full Establishments were kept up all the time.

3. The Government request that with future reports the Director will send a short letter or Memorandum noting the quantity of work done in the month by each party, both of the Survey and Settlement Departments, in comparison with what ought to have been done according to the Estimates.
