No. 70. Read the following letter from W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated 28th November 1859, No. 4864.

In submitting for the orders of Government, the accompanying* application from the Collector of Ganjam, for sanction of payment of Rupees 30-14-8 to ten additional peons employed for various periods during the month of June last, at 4 Rupees each per month, to assist the Head of Police of Takali in collecting the land and motarfa revenue for which he is responsible, I am directed by the Board to explain that in March last the Collector brought to their notice the inadequacy of the establishment† allotted to the above mentioned officer, on whom devolve the Police charge of a tâluq 30 by 10 miles; the collection of the revenue, amounting to Rupees 12,000, of the Government estate of Palatalagam; of the motarfa of the whole tâluq amounting to upwards of 4,000 Rupees; and the management of the Mulki tapal. Until recently, and during the time the Takali estate was under the management of Government, the Zafti Amin appears to have collected the motarfa, and his establishment to have been otherwise available for the head of Police, but since its restoration to the proprietress, this relief has been lost, and the Collector supported the application of the Principal Assistant for 14 additional peons at 4 Rupees each per month, as the smallest permanent aid necessary to ensure an efficient performance of the duties entrusted to the head of Police, but as in the meanwhile the revision of establishments generally was specially delegated to Mr. Pelly, the subject was postponed, and hence the charges incurred by the Collector, which, under the circumstances above stated, the Board recommend be sanctioned.
