With reference to paragraph 2 of the Order of Government of the 28th May 1860, No. 873, I have the honor to report that I have secured the services of Mr. Cuxtor, who was employed under Dr. Wight on the Cotton Farm at Coimbatore, and purpose to pay him Rupees 40 a month and the authorized travelling batta. The two Peons that I take being borne on the strength of the Establishment of the Board of Revenue, it will only be necessary to disburse to them batta at the rate of 1 Anna a day, in addition to the salary already enjoyed by them. I have the honor to request you will have the goodness to inform me whether I am entitled to the services of Government Lascars with the Tents supplied to me. I did not apply for them, nor did I expect this indulgence, but if allowed, I would disburse to them the batta they are entitled to draw when on duty.

No. 102. ORDER THEREON, 9th June 1860, No. 954.

The Government approve and sanction the Establishment proposed to be entertained by Mr. Clarke. They also permit Mr. Clarke to retain the Lascars sent with the Tents supplied to him; but, as he draws a liberal travelling allowance, it is proper that if he does so, he should bear the charge of their pay, as well as of their batta.
