Proceedings of the Madras Government, Revenue Department, 9th June 1860.

No. 103. Read the following Proceedings of the Board of Revenue, dated 31st May 1860, N. 2,607:—

Read letter from the Collector of Bellary, dated 19th May 1860, No. 82.

(In Con., 23rd May 1860, No. 2,409.)

In Con., 1st March 1860, No. 965.

Resolved, that the above letter be submitted to Government, with reference to their Order, dated 29th February 1860, No. 324, Revenue Department.

Board's Proceedings, 30th November 1848, No. 2,862.

2. The Government will perceive that the Sundúr Rájá is unwilling, as he has always been, to part with his proprietary rights over Rámandrúg; but he consents to Government taking whatever measures they please to extend the present barracks and to maintain good order on the Hill, and if not directly consulted will not object to cattle being slaughtered in an enclosed building on the slope of the Hill.

3. These concessions seem sufficient for all practical purposes.

4. In paragraphs 6 to 8 of his letter, Mr. Hathaway makes various suggestions, in which with one exception the Board concur. The excepted proposal is that of making Rámandrúg a Military Station. It would be well, the Board think, to vest the Officer selected for the charge of the Depôt with the powers of a Joint Magistrate and District Munsiff, but the conversion of the place into a Military Cantonment, just when all Police functions are about to be transferred to the new Police would be unadvisable. It will be necessary if the powers above stated are vested in the Officer Commanding the Depôt, that more than purely Military qualifications should be possessed by the Officer selected for this post.
