No. 113. Read the following Proceedings of the Board of Revenue, dated 30th May 1860, No. 2,594 :—

Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Chetterpúr, 30th April 1860, No. 97 :—

In reply to the Board's Circular, No. 1,818, dated 16th April last, I have the honor to observe that my Kachéri and the Treasury are both at Chetterpúr. A branch Treasury is, however, kept up at the Principal Assistant's station at Chicacole, partly because Rupees 20,000 or thereabouts are disbursed there monthly to Establishment, Detachment, and Pensioners, which latter alone draw 14,000 Rupees; partly because the collections from Nowpadah and Omaravilly Salt Pans from Purla Kemedy Estate, and from the Wadada Táluq and neighbouring small Estates, a total of more than 9 lacs would have to be carried for 100 miles over a line of road only made in parts. I request the Board will do me the favor to forward this letter for the information of the Financial Department, in which the question of the maintenance of the Chicacole Treasury is stated (in Extract Minutes Consultation, 11th April, No. 555) to be just now under consideration.

2. It is probable that the Government have not these details before them, as I have not been called upon as Collector for any information on the subject.

Resolved, that the above letter be submitted to Government as requested by the Collector.

2 The Board request Mr. Forbes to state whether the collections of the places named could not be remitted to the nearest Táluq Treasury, and the distance of the latter from them.

No. 114. ORDER THEREON, 11th June 1860, No. 960.

Ordered to be recorded with reference to the Order of May 30th, No. 887.
