Proceedings of the Madras Government, Revenue Department,
11th June 1860.

No. 117. Read the following Proceedings of the Board of Revenue, dated 31st May 1860, No. 2,612:—

Read the following letter from W. E. COCHRANE, Esq., Collector of Sea Customs, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George; dated Madras, 26th May 1860, No. 320:—

I have the honor to request that the permission of Government may be obtained for a Fire Engine being sanctioned for the Sea Custom House.

2. An Engine would be of great service when required for immediate use by the Shipping, as well as by this Department in the event of a fire breaking out, and no expense would attend the working of it, as the services of the Boats' crew of the Master Attendant and the Lascars attached to this Office would be available.

Submitted for the Orders of Government.

2. Mr. Cochrane's application seems to the Board deserving of consideration.

(A true Copy and Extract.)

(Signed) J. D. SIM, *Secretary.*
