*Proceedings of the Madras Government, Revenue Department,*
**12th *June* 1860.**

No. 137. Read the following Proceedings of the Board of Revenue, dated 31st May 1860, No. 2,613 :—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to J. D. SIM, Esq., Secretary to the Court of Wards, Fort Saint George, dated Combaconum, 22nd May 1860, No. 138 :—

1. I have the honor to report for the information of the Court of Wards, that Mutuverava Akasa Servegar, the Poligar of Attevetti Paliapat, died on the 9th October 1859, leaving a son, a daughter, a widow, a mother and a brother. The son Dorasami Akasa Servegar is four years of age.

2. The deceased made an application during his life time to have the Estate registered in the name of his son, and also requesting that the management thereof might be given to his brother-in-law, named Akasa Palaniappa Servegar.

3. The Paliapat consists of eleven villages, the Ayacat extent of which is 449 velis and the cultivated area 248 velis, yielding annually an income of Rupees 1,923-8-8, and deducting therefrom the Peshkash, Rupees 913-14-4, it leaves a net income of 809-10-4 per annum.

4. The immediate heir of the deceased, viz., his son, is disqualified by his minority and his mother objects to the Estate being taken under the charge of the Court of Wards, on the ground that the annual income thereof is so small it would hardly meet the expenses of the family and the Establishments; which would have to be kept up; she, therefore, prays that as desired by the deceased, the management should be left to her brother the said Akasa Palaniappa Servegar, who appears a respectable man and much interested in the family. Under thes circumstances, I am inclined to think that the interference of the Court in the Estate is neither necessary nor desirable.

5. I, therefore, beg to request authority that the Estate may be registered in the name of the Minor son of the deceased Paligar and left under the management of Palaniappa Servegar as proposed.

---

Resolved, that the above letter be submitted for the consideration and Orders of Government.

2. The Collector of Tanjore reports the death, on the 9th October last, of the Poligar of Attevetti in that District, leaving a son, aged four years, daughter, widow, mother and brother, The Paliapat pays a Peshkash of Rupees 914 and is supposed to produce a net income of Rupees 810.

3. The deceased Poligar requested that the Estate might be registered in his son's name and its management entrusted to his brother-in-law, Akasa Palaniappa Servegar. His widow makes the same request, which the Collector also supports, the brother-in-law being a man of respectability much interested in the welfare of the family.

4. The Board recommend that the management of the Estate be left to the brother-in-law in preference to its being taken under their charge as Court of Wards. If the Minor's interests are hereafter neglected, or his education not duly provided for, the Collector will bring the matter to the Board's knowledge, in order that the expediency of their interposition may then be considered.
