No. 139. Read the following Proceedings of the Board of Revenue, dated 1st June 1860, No. 2,625 :—

Read the following letter from Æ. R. McDONELL, Esq., Officiating Collector of Trichinopoly, to J. D. SIM, Esq., Secretary to the Beard of Revenue, Fort Saint George, dated 23rd May 1860, No. 64 :—

1. I have the honor to state that in Tiruvarambu, a village of the Kónád Táluq, 4 kánis and $39\frac{15}{16}$ Gulis of Nanja, bearing a light Assessment of Rupees 8-3-2, were taken up for the Great Southern of India Railway.

2. The piece of land forms a part of the Porupu Mányam which measures in the aggregate Nanja kánis, 52 and Gulis 50, assessed at Rupees 98-7-8, belonging to the Pagoda of Yerrumbéswara Swámi. The Daramkarta or Trustee of the institution solicits that in lieu of the land taken for the Railway, a proportionate reduction may be made in the Assessment of certain other lands held by the Pagoda under full rent, and proposes that kánis 4 and Gulis $39\frac{15}{16}$ Nanja, situated in the same village and for which the Pagoda pays a full Tírva of Rupees 18-7-5 may be granted at a reduced Assessment of Rupees 8-3-2, the difference being borne by Government.

3. Should your Board have no objection, I recommend that the proposal may be sanctioned.

---

1. Resolved, that the above letter be submitted to Government with the Board's recommendation that the adoption of the arrangement proposed be authorised.

2. The nominal Assessment of the "Mányam" land in question is Rupees 8-3-2, which is styled "light," and for which it is proposed to remit Rupees 10-4-3 out of the Assessment payable to Government on certain other lands belonging to the Pagoda.

3. The difference does not probably more than compensate for the loss of land sustained the Pagoda.
