Sir

I beg respectfully to request that in your forwarding the application of S Appleton Woodbridge, Deputy Collector in charge of Salem Precinct for 6 months leave of absence, you will do me the favor to bring my claims to the notice of Government, and obtain for me the Acting appointment in consideration of my having been at the head of the Account Department in this District for the last 21 years. I beg to state that so early as April 1849 Gov. Hathaway, the Acting Collector of Salem, recommended me to

the Board and considered me
"well fitted to hold one of these
appointments", and Wm. Hodgson,
when called upon by Government
in December 1859, also recommend
=ed me to the Court of Sudr Edalut,
and that Gentleman's recom=
=mendation was supported by
Wm. Frere, one of the Judges of
the Sudr.

I beg to add that though
Samuel present on leave,
I should be prepared to return
to duty were the Government
pleased to favor me with the
appointment.

The opinions of the several
Gentlemen under whom I have
been employed have been
recorded in the Services Registers,
copies of which I request may
be submitted with my applic

Knox which I beg may be re
=turned to me after a copy
has been taken.

Temperament Leucophlegmatic

Habits Temperate

January 19th 1861
In May 1860 the Deputy Collector
J. Appasawmy Wood Clerk complained
of diabetic symptoms -
States that about 3 years
ago these symptoms made
their appearance - There had
not been any decided constitu-
-tutional disturbance - Had
nothing more than a languid
feeling & thirst - His attention
was first attracted to his
state of health by his urine
being infested by ants - He
then placed himself under
treatment and the symptoms
disappeared - Since his arrival
at Salem these symptoms
re appeared insidiously -
From what has been observed
of his urine it presented
a varied character -

Sometimes there was a detectable quantity of Sugar in the urine and at other times not: on general occasions the urine was highly alkaline and irritating & scalding during micturition. As there was no marked constitutional disturbance he has never placed himself on the sick list: Alteratives and tonics, such as. Calebeates. Quinine Mineral acids & ca. with diabetic measures have at different times been prescribed - From this treatment he did not derive any decided benefit but only temporary relief. He has been losing flesh since he came to Salem. of late he suffered from fever and diarrhoea which affected his general health very much - at present he suffers from debility and lassitude & complains of weakness in his joints & fixed pain in his back occasionally gets boils

about his body -

Under these circumstances medical treatment being of little avail, I am of opinion that a change of climate & relaxation from duty are the only measures calculated to benefit his health and have therefore granted him the following Certificate.

I A. R. D. Manuel Esqr Zillah Surgeon of Salem do hereby Certify that Sepoy Ramasawmy Iyen Hair is in a bad state of health & I solemnly & sincerely declare that according to the best of my Judgement a change of air is highly desirable for his recovery & do therefore recommend that he may be permitted to proceed to Trichinopoly on sick Certificate for 6 months. —

Sir

I have given you time to proceed to Madras for the purpose of pushing your claims to a Deputy Collector's Ship, and to prevent any doubt that might arise from your name not appearing on my list of Candidates recommended to the Revenue Board. I have no hesitation in assuring you that it was from no objection of any sort to you I omitted your name, I had only space for one person in this District, and I chose the one I knew best, and from all I hear I have no doubt you would make a good Deputy Collector to be employed in Treasury.

I am Sir
Your obedient Servant

Sir,

In forwarding the enclosed application, with enclosures, from S. Appasawmy Moodelliyar, Deputy Collr in charge of the Salem Treasury, for 6 months leave of absence on Medical Certificate, I have the honor to transmit the copy of a letter from Mr R. Martin, Head Clerk in my Office, requesting that he may be appointed to act as Deputy Collector in charge of the treasury.

of Mr. Martin's letter, and the copy
of an extract from the Service Register
shewing what Offices Mr. Martin
has filled during his long Service.

3 Mr. Martin urges as a special
ground in his favor that he served
at the Head of the account Depart-
ment in this District for 21 years,
that is, up to the 1st of May last;
when my Office establishment was
placed on the revised scale, and
I appointed Mr. Martin Head Clerk
to secure for him an equal Salary
to what he drew as Head Accountant
under the old arrangement.

4 I hope that the Government
may be pleased to comply with
Mr. Martin's present application.
The Opinion which I recorded
in the Register in November 1858,
when

when I left the District on leave
shows that in my opinion he is
an efficient and a deserving public
Servant. The Register also proves
that the several Officers who officiated
for me while absent on leave,
thought very highly of Mr. Martin's
conduct and general qualifications.
