From

To

P. Grant Esquire

Collector & Magistrate

of

Malabar.

Sir

I beg to submit the accompanying Sick Certificate from the Civil Surgeon at this Station, recommending that I should be permitted to be absent from my duty until the 1st of June next.

You are aware, that from the length of time that has elapsed since I last obtained Leave of absence, I am fully entitled to Privilege Leave under the existing Rules, especially when it is considered that the present impaired state of my health is due to the arduous nature of the duties which I have had to perform, in connection with the sale of the Beturned Escheat, for the last 8 or 9 years, in addition to my own work. Under these circumstances, and as the Jummabundy Settlement of the Talugs under my charge has been brought to a

close, I trust you will be pleased to recommend Privilege Leave to be granted me for the period indicated in the Certificate. If however the exigency of Public business is such as to render this impracticable, I see no other alternative than to avail myself of the Sick Leave recommended by the Civil Surgeon — At the same time I beg to state, that if the change of air & the relief of duty which I shall be able to enjoy in accordance with such leave, should re-establish my health in time to admit of my resuming my post before the expiration of my leave, I shall not fail to do so. —

I have the honor to be,
Sir,
Your most Obedient Servant,
D. Grant

Rept No 57.

No. 58
1861.

Calicut 2nd March 1861.

From
D. Grant Esqre,
Collector of Malabar

To
J. D Sim Esqre,
Secretary to the Board
of Revenue,
Fort St George.-

Sir,

I have the honor to enclose

21st March 1861. an original Sick Certificate granted by Dr Cleveland, the Zila Surgeon, to C. Canaran, the Deputy Collector, of the Division and request that he be permitted to avail himself of it.-

2. He has been complaining of the state of his health for many months past, & the great change which has lately taken place in his physical appearance, shows that he is far from well.-

3 The Head Assistant lately

lately appointed has not yet joined, and even when he does, he will not be able to relieve me for some time to the extent I could wish; as the language & usages of Malabar will be novel to him. Every one is particularly busy at this season of the year with the Jemabandi, Income tax, sighting of Revenue accounts & lands & the New Police; so that without the aid of another Deputy Collector, to carry on C Canaren's duties, the current duties of the Collectorate will fall into greater arrear, than, I regret to say, they are now doing from want of the usual aid. I therefore beg that another Deputy Collector may be appointed to act for C. Canaren during his absence.

4. If Government approve of this suggestion, and find difficulty in nominating any one conversant with Malabar land tenures &c., I would recommend the appointment of Kélu Nayar, the present Minsif of Shemád Taluq, who, to my mind, is in every way fitted to fill the position, with credit, and who would be acceptable to the people. I have not spoken to the Civil Judge on the subject, but I feel confident that he would not object to the appointment of Kélu Nayar as Acting Deputy Collector.—

I have the honor to be,
Sir,
Your most obed't Servant.—

P. Grant
Collector.—

P.S. 3/2nd Instant. Choória Cannaren's Original Letter is enclosed. I should be glad if the Privilege Leave could be given. At the same time, I must state that I am not prepared to do without the aid of another Deputy Collector.—
