*Proceedings of the Madras Government, Revenue Department,
7th May 1861.*

No. 61. Read the following letter from Captain G. A. SEARLE, Deputy Superintendent, Revenue Survey, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Coimbatore, 25th April 1861, No. 48:—

SIR,

1. I have the honor to inform you that I observe in the "Fort Saint George Gazette," dated 19th instant, received on my arrival here, that my services have been in a most summary manner placed at the disposal of the Commander-in-Chief, and I, therefore, respectfully beg to be informed of the reason of this, and why no previous intimation respecting the matter was afforded to me before proceeding in charge of the party from the Wainád to this station. After the great exertions I have made in carrying on the work since I assumed charge of this party from Mr. Beaumont, last year, I cannot but consider the above as great injustice to myself, and as I do not suppose that the reports and letter I referred to in my letter to the Superintendent of Revenue Survey, No. 53, dated 26th March, as was requested by me, have been laid before Government, I beg to enclose you a copy of the above letter showing in the margin the letters and reports referred to, and to request that the whole correspondence as there shown may be called for in order that my proceedings may be submitted to a close examination, and my character exonerated from the reflections made on it by the Superintendent of Revenue Survey. With reference to the concluding portion of my letter to the Superintendent, which appears to me rather ambiguous in the expression of my meaning, I would beg to state that it was conditionally only I expressed my willingness to relinquish my charge, owing to reasons distinctly shown, and that I do not think I gave grounds to justify the extreme step resorted to.

2. It may not be amiss for me here to add that during the whole period of my service in India, I have ever maintained a high character for zeal and devotedness to my duties, as may be seen by my testimonials, and I hope that my case will in the present occasion receive due consideration.

3. I would beg, with all deference, to be excused for the liberty I have taken in this instance of deviating from the usual channel of communication, and trust that the importance of the circumstance to me will plead a sufficient apology.

No. 62. ORDER THEREON, 7th May 1861, No. 1,003.

1. Captain Searle will be informed that all the papers referred to in this letter were duly considered by Government before the order was passed for his removal from the Survey Department.

2. A copy of that Order (April 19th No. 894) of Mr. Newill's letter which led to it and of Captain Priestley's letter of 5th ultimo, will be communicated to Captain Searle by Mr. Newill, for his information.

From Captain G. D. Keble
 Es. Captain J. H. Priestley
 Super to the Survey.

Sir.

I have the honor to acknowledge the receipt of a copy of the report on the Survey operations for the year 1850, and I consider the remarks made in Para 27 of the same document to be the character I have ever borne in the Service for zeal and energy. I therefore request you will be so good as to forward this letter together with the reports, and, letters as per margin (which I have written since)

Since I have been
in the Department
for the purpose of
Government. I think
that they will show
I have done my utmost
to get a greater amount
of work performed
with as little expen-
-diture of Public
money as possible,
and further beg to
request that as you
have expressed
yourself dissatisfied
with the management
of the Party. I may
be relieved from the
Charge, and hold the
Post of an Assistant
for as long as the
Party money about
every few months,
and with its present
organization I
have little hope
of ever being able
to meet with your

approbation. I should
therefore prefer hold-
ing a subordinate
position in the
Department.

I have the honor to be

Sir
Your most obedt servant.
