Proceedings of the Madras Government, Revenue Department, 16th May 1861.

No. 128. Read the following Proceedings of the Board of Revenue, dated 6th April 1861, No. 1,773:—

Read the following letter from J. I. MINCHIN, Esq., Acting Collector of Kurnool, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Kalva, 26th February 1861, No. 10.

SIR,

1. With reference to the enclosed Petition from K. Venkatramoodoo and C. Nagana, forwarded for report by the Government, I have the honor to state that in August 1859, both these parties, together with one Maddigadoo complained to the Collector that their bandies had been seized in March last in Cuddapah to go with the 1st Regiment Light Cavalry to Trichinopoly; that owing to sickness on the road they or their servants deserted the bandies, which consequently were taken on with the Regiment, and they prayed for compensation for their lost property.

2. At the time of original complaint, these parties valued their property as follows:—

	Bandy.	Bullocks.	Total.
	Rs.	Rs.	Rs.
1. C. Nagana	32	60	92
2. K. Venkatramoodoo	36	64	100
3. Maddigadoo	32	64	96

3. Much correspondence ensued concerning their claims and that of M. Baligadoo of a like nature, and they were finally directed to proceed to Trichinopoly to claim their bandies, four of which with the cattle had been made over to the Principal Sudder Amín of that place by the Magistrate, having been brought in by the 1st Regiment Light Cavalry, the owners having left on the march.

4. The case of M. Baligadoo has already been considered by the Government who have liberally awarded to him a compensation of Rupees 100 for his lost property. The Petitioners on this brought their claim before the Government, and the fouth party has again brought forward the subject before myself.

5. In the Register of bandies supplied to the 1st Regiment Light Cavalry kept at Cuddapah, the names of M. Baligadoo and C. Nagana alone appear, but I attribute this to the fact that these parties alone accompanied their bandies themselves, while the carts belonging to K. Venkatramoodoo and Maddigadoo were impressed when in charge of a servant, and relative of the owners, the latter of whom, brother of Maddigadoo, at once absconded on the cart being seized by the authorities.

6. I have examined all the parties personally, and have no reason to believe that their statements are in any way unfounded, or that the price they originally fixed on their bandies and cattle was unfair.

7. It is a fact that four carts with cattle were taken into Trichinopoly by the Regiment, whose owners had absconded on the route, and I believe they belonged to the applicants in this District; M. Baligadoo, who has already received compensation, the present Petitioners Nagana and Venkatramoodoo and a fourth party Maddigadoo.

8. The bandies are probably still in the charge of the Trichinopoly Principal Sudder Amín; the cattle were of course sold at once as unclaimed property, and carried to the credit of Government.

9. Under these circumstances, I beg to recommend the case of the Petitioners to the favorable consideration of Government, and to recommend that they, and the remaining sufferer Maddigadoo, be paid the sums at which nearly two years ago they valued the property of which they had been deprived.

Proceedings of the Madras Government, Revenue Department, 16th May 1861.

Ordered to be communicated to Government, with reference to their Endorsement on Petition No. 3,691 of 1860, with the Board's recommendation that the suggestion contained in paragraph 9 be complied with.

(A true Copy and Extract.)

(Signed) R. A. DALYELL, *Acting Sub-Secretary.*

No. 129. ORDER THEREON, 16th May 1861, No. 1,012.

1. Under the circumstances detailed in the Acting Collector's letter, the Government sanction the disbursement to the three individuals specified in paragraph 2, of the sums set opposite their names as compensation in full for the loss of their property.

2. Referring to paragraph 8, it appears from the Quarter Master General's letter* of 10th January last, that the sum realized by the sale of the four pairs of bullocks, amounting to Rupees 192-14, was, at that date, still in deposit in the Principal Sudder Amin's Court together with the four carts.

* Recorded in G. O. 26th January 1861, No. 193, R. D.

3. As the supposed owners have by this, and the former Order of 8th November last No. 2,074, been reimbursed the value of their property, there can be no objection now to the sale of the carts being completed and the whole sum credited to Government.

(Signed) C. G. MASTER,
Deputy Secretary to Government.
