Proceedings of the Madras Government, Revenue Department, 7th June 1861.

No. 65. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 11th May 1861, No. 773:—

SIR,

1. In the Proceedings of Government, dated 27th October 1859, No. 1,451, the Government were pleased to sanction the services of Deputy Collector Tiruvengada Chary being made available to assist me in carrying out the new Revenue Settlement of the Chedambaram Táluq of South Arcot, and to transfer him from Chingleput to South Arcot for the purpose.

2. In paragraph 2 of the same Order the Government were pleased to say, in reply to an application made by Tiruvengada Chary for promotion, that they would consider his claim after the work for which he was selected should be completed.

3. I have now the honor to submit the matter for the favorable consideration of Government. The introduction of the Settlement has been separately reported in my letter, No. 770, of this date, and I beg to add that to the successful issue of the measure Tiruvengada Chary has most materially contributed in the diligent and intelligent manner in which he has supervised the details of the Settlement under my general direction, and in the conciliatory and, at the same time, decided address he has observed towards the people, while aiding me in explaining fully to them the nature, objects and results of the Settlement.

4. The task has been very laborious and complicated, from the different modes of procedure and forms of accounts adopted in the experimental Survey of this Táluq, and the necessity thus created of reducing many anomalies to an uniformity of plan. Tiruvengada Chary has conducted his duties as Deputy Collector in addition to this task, and will still continue the supervision of the preparation of the fair copies of the vernacular Registers.

5. Considering the time that has elapsed since the Government deferred the consideration of Tiruvengada Chary's claims to promotion pending the carrying out of this special task, and the satisfactory manner in which he has contributed to its successful issue, I would submit for favorable consideration his now meeting with somewhat more than ordinary promotion by being advanced two grades in the scale of the Deputy Collectors, if the Government consider he is entitled to this reward. I make this recommendation not solely with regard to the special duty in question, but with reference to the estimate I have for some time back been in a position to form of his character as an able, intelligent, experienced and trustworthy Revenue Officer.

No. 66. ORDER THEREON, 7th June 1861, No. 1,159.

The Governor in Council is pleased to find that C. Tiruvengada Chary has discharged his duties under the Director of Revenue Settlement in so creditable a manner, and resolves to promote him from the 4th to the 3rd class of Deputy Collectors.

Secretary to Government.
