No. 134. Read the following letter from C. H. LUSHINGTON, Esq., Secretary to the Government of India (Financial Department), to J. D. SIM, Esq., Secretary to the Government of Fort Saint George, dated Fort William, 17th May 1861, No. 5,742 :—

SIR,

1. I am directed to acknowledge the receipt of your letter, No. 824, dated the 13th ultimo, forwarding copy of a letter from the Income Tax Commissioners for the Town of Madras, inquiring with reference to the two rulings of this Government therein mentioned, what course should be pursued by them in the case of those Government servants whose salaries have been assessed at two per cent., but who having other sources of income which, added to their salaries raise the total incomes to an aggregate exceeding Rupees 500 per mensem, were liable to be assessed at the higher rate of four per cent., and requesting to be informed whether they should make a supplemental assessment consisting of the difference between the two per cent. rate assessed, and the four per cent. rate to which the salaries were actually liable.

2. In reply, I am desired by the Governor General in Council to observe, that when the Orders of the 3rd September last, No. 7,926, were issued by this Government, it was intended that the Commissioners should make the supplemental assessment, and His Excellency in Council sees no material objection to their doing so.
