*Proceedings of the Madras Government, Revenue Department,
15th June 1861.*

No. 167. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 3rd June 1861:—

SIR,

1. I have the honor to solicit the sanction of Government for the undermentioned Establishments of Sub-Magistrates in the District of Vizagapatam, at a monthly cost of Rupees 1,610.

Dated 20th May 1861.

2. The accompanying Statement, in the form prescribed by Government, gives the particulars of each Sub-Magistrate's charge. But I would request the perusal of the enclosed letter from Messrs. Fane and W. Robinson, the Collector and Inspector General of Mufassal Police, which states fully the necessity for the Establishments recommended; as these gentlemen have in concert together considered the subject with great care, and as they are satisfied that the business of the District could not be effectively conducted by fewer magisterial officers than they have recommended, I have no hesitation in submitting their proposition complete for the consideration and adoption of Government.

See Collector's letter, 26th June 1860,
paragraph 2.

1 Nursapatam.
1 Palkonda.

3. The number of Sub-Magistrates proposed is fifteen, inclusive of three for the Jeypúr territory. The present number of subordinate magisterial agents is thirty-five. There are but two Government Táluqs in Vizagapatam, one of which the Palkonda Táluq is rented out to Messrs. Arbuthnot & Co., who have lately renewed their lease for ten years; and it has consequently been treated, in the assignment of Sub-Magistrates, as a Zamíndári.

4. Nursapatam Táluq is composed of two old Táluqs, and requires besides the Tahsildár an extra Sub-Magistrate to be stationed at Yellamanchelli.

5. The remainder of the District consists of Zamíndári, which Messrs. Fane and Robinson have laid out into ten convenient magisterial ranges; the work assigned to these ten Sub-Magistrates is now performed by nineteen such officers.

6. For the Vizagapatam District, therefore, there will be, properly speaking, only thirteen subordinate magisterial officers, including the Tahsildár of Nursapatam. But provision is also made for the adjoining State of Jeypúr, for which three Sub-Magistrates have been added, with a view to complete the system of magisterial and police administration in that extensive

Province. One of these Sub-Magistrates, at Gunnapuram, is indispensably necessary, and must be sanctioned at the same time as the rest of the Sub-Magistrates required for the District, to have charge of the five Parganás* of this Zamíndári, which lie below the Gháts and are now under the management of Government, and have been for some years.

*Proceedings of the Madras Government, Revenue Department,
15th June 1861.*

7. In the upper Parganás of Jeypúr, the Collector and Inspector General of Police have estimated for two Sub-Magistrates, one to be stationed at Jeypúr, and the other at Ourada in the new Ghát road leading via Gálíkonda to Vizagapatam. "There is at present no Police in these upper Parganás of Jeypúr." It has however (these gentlemen write) "long been contemplated, and it is obviously most desirable to establish in accordance with the terms of the permanent settlement, a system of law and order within that important and rising Province. The Government must decide when this shall be, but in justice to the people the step cannot be long deferred. We have therefore considered it requisite on financial and other grounds to make the estimate we now submit to you complete as regards the magisterial requirements of the territory subject to the Government of Fort Saint George."

8. I have accordingly entered the two Sub-Magistrates in the list, and the Government can determine whether they are to be retained or not.

9. I have allowed without change the salaries recommended by Messrs. Fane and Robinson, as they have carefully considered the matter and made changes in a former recommendation submitted by the Collector.

No. 168.

ORDER THEREON, 15th June 1861, No. 1,209.

1. As the Magistrate, the Inspector General of Police and Mr. Pelly agree in recommending the scheme laid down in this letter for the location of Sub-Magistrates in the Vizagapatam District, the Governor sanction its adoption as regards the first thirteen stations named in the list in paragraph 1, at an aggregate cost of Rupees (1,342) one thousand three hundred and forty-two per mensem.

2. The question of appointing Sub-Magistrates for Jeypúr and Ourada will be considered in the Judicial Department.

(Signed) J. D. SIM,
Secretary to Government.
