REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from B. CUNLIFFE, Esq., Collector of Madras, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Sydapet, 30th May 1861, No. 21:—

SIR,

1. The land alluded to in Government Proceedings 14th May 1859, No. 663, having, with a very small exception, been taken possession of by me, I beg to be informed to what Department I am to make it over, as I incur a charge for peons to watch the ground.

2. The delay in acquiring the land has been caused by the Magistracy of the Presidency having been declared incompetent to enforce possession, under Act VI of 1857, which was therefore amended by Act II of 1861, and under which the recusant parties have been compelled to give possession.

3. The exception above noticed, is a small piece of ground, used as a burial ground, and belonging to his Highness the Prince Azim Jah, who does not wish to part with it, though, if really required by the Government, I have no doubt that he will give up the land, with the exception of a very insignificant portion, containing the tomb itself. The entire piece, however, would not interfere with the object for which the Government have secured the large adjoining tract, viz., a parade ground.

ORDER THEREON, 10th June 1861, No. 1,170.

Referred to the Military Department, with reference to the Order in that Department, dated 16th August 1859, No. 2,921.

Military Department.

No 2159.

The Governor in Council observes that,
pending final orders as to the disposal or appropriation
of Londons Gardens the landing question, may remain in
charge of the Collector, as at present.

2. The necessity for incurring a charge for
watching Pons should be explained, and the Amount
reported to Government it appears to His Excellency that the
grounding question may be conveniently left for ordering
purposes to meet such charges pending the final decision
of Government, as to its disposal.

3. With regard to Para: 3 of the Collectors letter,
recorded in the foregoing Proceedings of Government in
the Revenue Department, His Excellency considers that
no further steps need be taken for the acquisition of
the small piece of ground belonging to His Highness
the Prince Azim Jah.
