*Proceedings of the Madras Government, Revenue Department,
25th June 1861.*

No. 230. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 21th June 1861, No. 950 :—

Sir,

1. I have the honor to request that the sanction of Government may be given to the Collector of Nellore to transfer from one Táluq to another, as per annexed list, the undermentioned ten villages :—

Number.	Names of villages.	Táluq to which village belongs and distance from the Cusbah Town.			Táluq to which village is to be transferred and distance from the Cusbah Town.		
		Táluq.	Cusbah.	Distance in Miles.	Táluq.	Cusbah.	Distance in Miles.
1	Dontali	Gádúru.	Gádúru	19	Nellore.	Nellore.	6
2	Amancherla	do.	do.	21	do.	do.	10
3	Vendadu	Rápúru.	Rápúru.	20	Gádúru.	Gádúru.	11
4	Vedicherla	do.	do.	18	do.	do.	8
5	Pothugunta	do.	do.	23	do.	do.	3½
6	Baddevolu... ..	do.	do.	24	do.	do.	5
7	Nagulavaram	Nellore.	Nellore.	24	Kávali.	Kávali.	14
8	Bommavaram	Udayagiri.	Udayágiri.	18	Atmakúru.	Atmakúru.	20
9	Inimerla	do.	do.	21	Kanigiri.	Kanigiri.	17
10	Chenchireddipalli	do.	do.	23	do.	do.	16

2. Mr. Dykes has carefully considered the question ; as respects the first seven villages in the list the reason for the proposed transfer is obvious, viz., their much closer proximity to the Cusbah towns of the Táluq, in which they will in future be placed.

3. The reasons for transferring Bommavaram, No. 8, are also valid, viz., that the country between it and Udayagiri, the Cusbah of the Táluq to which it belongs, is wild and jungly ; while the extra distance of two miles between it and Atmakúru, the Cusbah of the Táluq to which it is proposed to transfer the village, is fully compensated by the grèater facilities of the road, and the safety for remittances ; and also by the saving of much trouble to parties in cases having to come from the Cusbah eventually to Nellore, as Atmakúru lies in the direction of Nellore, whereas Udayagiri is in the opposite direction.

4. The other two villages, Inimerla and Chenchireddipalli, Nos. 9 and 10, outlying villages of Udayagiri Táluq, are situated in the midst of those villages of the Pámur old Police Division which are now placed (by the late sub-division of that District) in the Táluq of Kanigiri, and consequently should with them also be transferred to that Táluq.

5. I have therefore the honor to support Mr. Dykes' recommendation for these transfers.

6. Under the Order of Government, dated 2nd June 1860, No. 913, another Táluq, Kaligiri, was divided between Kávali and Udayagiri Táluqs, and thus absorbed. Mr. Dykes now points out that this division has placed the southern portion in an awkward situation, and recommends that this southern portion be joined to the Táluq of Atmakúru, which he says will be a far more convenient arrangement, as it will place the villages at half the distance to the Cusbah than they would be under the first arrangement. It will simply be dividing the entire old and absorbed Táluq of Kávali into three, instead of two parts, and as it is strongly recommended by the local Officer, and appears certainly to be a preferable division, I beg to recommend this change also.

7. A revised Statement of the Táluqs of the Nellore District, as it is proposed they should stand in future, if the propositions now submitted meet with the approbation of Government, is annexed.
