*Proceedings of the Madras Government, Revenue Department,
28th June 1861.*

No. 322. Read the following Proceedings of the Board of Revenue, dated 29th May 1861;
No. 2,722:—

Read the following letter from A. WEDDERBURN, Esq., Officiating Collector of Cuddapah,
to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated
Madnapalli, 8th May 1861, No. 55.

Sir,

1. In reference to Proceedings Board of Revenue, dated 2nd March 1861, No. 1,165, and
to the Government Order thereon of 8th idem, No. 534, I have the honor to state that the reason
why so large an extent of land as $9\frac{1}{2}$ acres was applied for by Mr. Clay for the establishment
of a School was that the land in question is occupied by two Bungalows about 300 yards apart;
one of these Bungalows is intended for the School, the other for the residence of the Master in
charge. The following rough sketch shows the occupation of the land which forms one revenue
number or field:—

A. Master's residence. B. School.

Should Government decide that Mr. Clay's application is in excess of what is required for
the site of a School, I would recommend that 2 acres be allowed free of tax for the School site
and play ground and that Mr. Clay be left to pay for the remaining $7\frac{1}{2}$ acres. The remission in
this case would amount to Rupees 7-8-0 of annual rent.

In Cons. 9th March 1861.

1. Ordered to be submitted to Government, with re-
ference to their Proceedings, No. 534, Revenue Department,
dated 8th March 1861.

2. The original proposal was that $9\frac{1}{2}$ acres should be granted on half assessment amount-
ing to Rupees 17. The Collector now proposes that if Government object to so large an extent
of land being assigned for the purpose in question, the School site, and play ground to the extent
of 2 acres be given free of all tax, so long as it is devoted to the proposed purpose, and that
Rev. Mr. Clay the applicant be required to pay for the remaining extent the full assessment.

3. The remission in this last case will amount to Rupees 7-8-0 as compared with Rupees 17
first proposed. Considering the object in view, the Board would support the original proposal.

No. 323. ORDER THEREON, 28th June 1861, No. 1,289.

The Government sanction the entire remission of assessment on the two acres of land
occupied by the School and play ground, and direct that the full assessment be levied on the
remainder.

Secretary to Government.
